PART ONE

1 INTRODUCTION

1.1 The university system in Sri Lanka operates within the framework laid down in the Universities Act No. 16 of 1978 as amended. The selection of students for admission to undergraduate courses in the universities is a task assigned to the University Grants Commission (UGC) under the said Act. The UGC carries out this task in consultation with the Universities /Campuses /Institutes.

1.2 The UGC selects students for admission to undergraduate courses in the following Higher Educational Institutions [fourteen (14) National Universities, three (3) Campuses and five (05) Institutes] which have been set up under the Universities Act;

University of Colombo
University of Peradeniya
University of Sri Jayewardenepura
University of Kelaniya
University of Moratuwa
University of Jaffna
University of Ruhuna
Eastern University, Sri Lanka
South Eastern University of Sri Lanka
Rajarata University of Sri Lanka
Sabaragamuwa University of Sri Lanka
Wayamba University of Sri Lanka
Uva Wellassa University of Sri Lanka
University of the Visual & Performing Arts
Sripalee Campus
Trincomalee Campus
Vavuniya Campus
Institute of Indigenous Medicine
Gampaha Wickramarachchi Ayurveda Institute
University of Colombo School of Computing
Swami Vipulananda Institute of Aesthetic Studies, Eastern University, Sri Lanka
Ramanathan Academy of Fine Arts, University of Jaffna

1.3 This Handbook describes the selection procedure for students with foreign qualifications to undergraduate courses of the Higher Educational Institutions mentioned above. The rules and regulations laid down herein are subject to revision in terms of any decisions made by the Government / University Grants Commission.

2. MINIMUM REQUIREMENTS FOR ADMISSION OF STUDENTS WITH FOREIGN QUALIFICATIONS

2.1 Candidates with results at a foreign examination held outside Sri Lanka, deemed equivalent to G.C.E. (Advanced Level) Examination of Sri Lanka are eligible to apply for admission to Universities in Sri Lanka.

a) Applicants are advised to attach to their applications the original letter obtained from the Examinations Board concerned, to prove that their educational qualifications are equivalent to the G.C.E.(A/L) Examination of Sri Lanka or their educational qualifications are considered for admission to a university in their own country to follow an undergraduate course of study leading to a Bachelor's Degree.

b) Applicants should ensure that all required passes should be obtained in one and the same sitting under a recognized Board of Examinations subject to the rules set out by the Education Authority of the country concerned.

c) Applicants should attach to their applications the certified copies of the educational certificate and the statement of results of their qualifying examination. The copy of the educational certificate and the statement of results should be certified by the relevant Examinations Board which conducted the examination concerned.

2.2 The eligible candidates for admission under this special provision are;

I Candidates with foreign passports
II Candidates with Sri Lankan passports

In order to become eligible;

a) Sri Lankan candidates should have studied abroad for a period of not less than three academic years immediately prior to sitting the qualifying examination.

N.B.:

I Certified copies of the candidate's Passports covering the period studied abroad
II Certified copies of the Foreign & Sri Lankan (if any) School Leaving Certificates of the candidate

b) Father/Mother/Guardian (only if parents expired) of the Sri Lankan candidate should also have worked abroad in the same country along with the candidate during his/her period studied abroad.

N.B.: Applicants must provide the following documents;

I Original of the Service Certificate/s of the Father/Mother/Guardian
II Certified copies of parents'/guardians' Passports covering the period worked abroad
III Documentary evidences to prove that the Guardian has been legally appointed

c) Children of Sri Lankan diplomatic personnel attached to Sri Lankan diplomatic missions abroad or on foreign assignments sponsored by the Government of Sri Lanka, should have studied abroad at least for a period of three academic years in the six year period immediately prior to sitting the qualifying examination, along with their parents who are Sri Lankan diplomats.

Sri Lankan diplomatic personnel are referred to as the Sri Lankan Foreign Service officers, officers from certain other Services and Ministries/Agencies such as the Ministry of Foreign Affairs, Ministry of Defence, Department of Commerce, Ministry of Public Administration, Department of Labour and the Sri Lankan Bureau of Foreign Employment who have been appointed to serve in Sri Lankan Missions abroad for limited periods, the officers from other Services and Ministries/Departments attached to Missions abroad whose overseas assignments are not routine and serve only limited periods abroad, the appointments to Missions abroad made on the approval of the Cabinet of Ministers as approved by the Ministry of Foreign Affairs.

Note : However, the candidates who have satisfied the requirements for admission at a foreign examination equivalent to G.C.E (A/L) Examination of Sri Lanka held locally too will be considered, if;

a. They have sat the said examination locally within a period of 06 months from the date of their returning to Sri Lanka after completion of a continuous period of not less than 2 1/2 years of studied abroad immediately prior to sitting the qualifying examination.

provided that;

b. Their parents have returned to Sri Lanka on completion of the assignment having served at least for a period of 03 years immediately prior to their child sitting the said examination locally.

N.B:Applicants must provide documentary proof.

d) Candidates with foreign passports must also provide the certified copies of their School Leaving Certificates.

3. DOCUMENTARY EVIDENCES TO BE SUBMITTED BY THE CANDIDATE

I Documents in proof of the 2.1 & 2.2 above.

II Duly certified copies of certificates in proof of satisfying the Scholastic Aptitude Test (SAT)/ Test of English as a Foreign Language (TOEFL)/International English Language Testing System (IELTS), if the candidate's entry qualification under this provision is a High School Diploma.

III Documentary evidences in proof of funds in relevant foreign currencies(Candidate must submit an original letter from the bank stating the bank balance of Father/Mother/Guardian as a documentary evidence in proof of the availability of funds)

4. ENGLISH LANGUAGE PROFICIENCY

English is the medium of instructions for the most of the degree programmes as indicated in Annex III on page 83. Accordingly, an applicant whose primary language is not English or whose previous education has been conducted in another language, must demonstrate a command of English sufficient to meet the demands of classroom instructions, written assignments and participation in tutorials and discussions. Therefore, applicants whose primary language is not English or whose previous education has not been in English must provide evidence of proficiency in English i.e. achieve a minimum score of 79 on the Test of English as a Foreign Language (TOEFL) or achieve a minimum score of 6.5 on the International English Language Testing System (IELTS) etc.

5. ACADEMIC YEAR IN SRI LANKAN UNIVERSITIES

The universities in Sri Lanka follow the semester system and there are two semesters per year. The date of commencement of the first term/semester of a particular academic year may vary from one university to another or from one Faculty of a university to another.

6. PROCESSING OF APPLICATIONS

Application forms are available on the UGC website or the Handbook published by the UGC.

All the applications should be forwarded to Senior Assistant Secretary (University Admissions), University Grants Commission, No 20, Ward Place, Colombo 07, Sri Lanka, by registered post. No applications will be entertained after the deadline.

a) Children of Sri Lankan diplomats seeking admission to Universities in Sri Lanka should forward their applications through the Secretary, Ministry of External Affairs, Republic Building, Colombo 01, Sri Lanka.

b) The UGC charges a fee of US $ 100 for processing the applications. Therefore, every applicant should attach a copy of the payment receipt transferring an amount equivalent to US $ 100 to the University Grants Commission telegraphically (swift), being the application processing fee.

Name of the Account	: UNIVERSITY GRANTS COMMISSION
Name of the Bank	: Bank of Ceylon
Branch	: Torrington Branch
Account Number	: 2323287
Swift code	: BCEYLKLX

Also you can pay the application processing fee online via the official website of the UGC (www.ugc.ac.lk) and send the duly signed Online Payment Receipt generated at the end of the transaction along with the application.

Applications which do not accompany the application processing fee will not be considered for admission. Please note that this processing fee is not refundable.

c) All applications that satisfy the criteria for university admission in Sri Lanka will be evaluated by panels appointed by the UGC, including all relevant Deans of Faculties. Then the UGC will communicate with the applicants regarding the final offer. Moreover, results of the last student who had been selected for each course of study on 40% merit quota to Sri Lankan Universities under normal intake would be deemed as the minimum level to consider the candidates under this provision.

d) It shall be the responsibility of the applicant to ensure that his/her application is accompanied by all relevant supporting documents. All documents must be duly certified by the relevant authorities.

e) Failure to submit the relevant documents and certificates along with the application may result in rejection of the application for University admission under this special provision.

f) Closing date for applications for the academic year 2016/2017 will be on 28th April 2017.

The contact details are given below for further inquiries.

Tele	: +9411-2695301/02 or +9411-3054168
Fax	: +9411-2691678
E-mail	: foreignadmissions@ugc.ac.lk
Website	: www.ugc.ac.lk

7. ACKNOWLEDGEMENT

All applications will be acknowledged within two weeks of receiving the applications by e-mail. The acknowledgement merely indicates that the UGC has received the application and it does not mean that the application has been processed.

8. SELECTION AND OFFERING OF PLACES

1. The number of places reserved for this category of students are very limited and at present it is up to 0.5 % of the total number of places available in each course of study. Selections of candidates with foreign qualifications are based on the following order of priority;

   a) Children of Sri Lankan diplomatic personnel who are/have been stationed in other countries.
   b) Children of foreign diplomatic personnel working in Sri Lanka.
   c) Applicants from SAARC countries who seek admission.
   d) Sri Lankan applicants not covered under (a) above.
   e) Other foreign applicants not covered under (b) or (c) above.

   All selected candidates will be admitted on fee levying basis except the candidates under category (a) above.

2. Up to 4.5 % of the places over and above the proposed intake in each course of study will be allocated to students who satisfy the criteria for admission under this provision. All candidates under this category will be admitted on fee levying basis.

   Selected candidates who wish to accept the offer should make arrangements to get themselves registered at the universities to which they will be assigned in consultation with the Registrar of the relevant university.

   All prospective foreign students should be noted that the Government of the Democratic Socialist Republic of Sri Lanka will not convert tourist visa to student visa. Therefore, no person who wishes to gain admission to a university should enter the country on tourist visa and they should make arrangements to obtain visas in advance.

9. ACCOMMODATION

In view of the limited hostel facilities available, the universities are not in a position to provide hostel accommodation to students gaining admission under this provision.

10. FINANCIAL ASSISTANCE

No scholarships or other financial assistance will be provided by the Government of Sri Lanka to candidates selected for admission under this provision.

10.1. FEES PAYABLE BY STUDENTS WITH FOREIGN QUALIFICATIONS

Those who are admitted to universities under this provision are liable to pay the following combined tuition and examination fees. Therefore, the applicants should submit with their applications, documentary evidence in proof of the availability of funds. However, students who will be selected under section 8 (1) (a) above are exempted from the following tuition and examination fees.

PART TWO

1 Titles of each Course of Study under different subject streams

Different courses of study are available in Universities and Higher Education Institutes. You may observe slight differences in the titles of 'similar' Courses of Study offered by different Universities. Universities have the autonomy to offer different Courses of Study, which they have the expertise and facilities.

Subjects available at the Advanced Level Examination are classified into six (06) main streams as follows:

(1) Arts Stream
(2) Commerce Stream
(3) Biological Science Stream
(4) Physical Science Stream
(5) Engineering Technology Stream
(6) Biosystems Technology Stream

Page numbers from 11 to 74 will guide you to obtain details of the courses of study under each of the above subject streams you are interested in such as names of the universities, names of the degrees, entry requirements of the courses of study etc.

(1) ARTS STREAM

2 Advanced Level subject pre-requisites to satisfy the entry requirements for first degree programmes

In addition to the minimum admissions requirements specified in Part 1 Section 2 , candidates have to fulfil certain subject pre-requisites in order to qualify for admission to a particular course of study. Applicants with foreign qualifications too are required to have passed (as the case may be) the subjects equivalent to those given in this part.

2.1 ARTS STREAM

2.1.1 Arts

- To be eligible for admission to a course of study in Arts, candidates must have obtained passes for three subjects considered.
- As there are many subjects in the Arts stream for the Advanced Level Examination, subjects are classified under four baskets.
- Students should have obtained passes in three subjects at the Advanced Level Examination from the following baskets.

Basket 01- Social Sciences / Applied Social Studies:

1. Economics
2. Geography
3. History
4. Home Economics
5. Agricultural Science / Mathematics / Combined Mathematics
6. Communication & Media Studies
7. Information & Communication Technology
8. Accounting / Business Statistics
9. Political Science
10. Logic & Scientific Method
11. One subject from Technological Subjects :
    - Civil Technology
    - Electrical, Electronic and Information Technology
    - Agro Technology
    - Mechanical Technology
    - Food Technology
    - Bio-Resource Technology

Guidance for Selection of subjects from basket 01:

- Students should select at least one subject from this basket.
- Students can also select all three subjects only from basket 01.

There are three exceptions to this rule. These are;

1. Students selecting three National Languages; Sinhala, Tamil and English from the basket 04 (Language Basket) as the three subjects, need not to select any subject from basket 01.

2. Students selecting a combination of National & Classical languages need not to select any subject from basket 01.

National Languages are;

Sinhala Tamil English

Classical Languages are;

Arabic Pali Sanskrit

For example, students can select three subjects like Sinhala, Pali & Sanskrit etc. These students need not select any subject from basket 01.

However, no candidate can select three classical languages as three subjects. They can select a maximum of two classical languages only.

3. Students selecting two languages from the basket 04 & the third subject from Religions /Civilizations or Aesthetic subject classified under basket 02 & 03 given below need not to select any subject from basket 01.

Basket 02- Religions and Civilizations:

1. Buddhism
2. Hinduism
3. Christianity
4. Islam
5. Buddhist Civilization
6. Hindu Civilization
7. Christian Civilization
8. Islamic Civilization
9. Greek & Roman Civilization

Guidance for Selection of subjects from basket 02:

- A candidate can select maximum of two subjects from the basket 02.
- However, if a religion (Ex: Buddhism) is selected as a subject, the related civilization of the selected religion (Ex: Buddhist Civilization) cannot be offered as another subject from this basket.

Basket 03- Aesthetic Studies:

Aesthetic Subjects consists of four subject areas. These are;

1. Art
2. Dancing
3. Music
4. Drama & Theatre

This can be further sub-classified as ;

- Art

- Dancing
    a. Sinhala
    b. Baratha

- Music
    a. Oriental
    b. Carnatic
    c. Western

- Drama & Theatre
    a. Sinhala
    b. Tamil
    c. English

Guidance for Selection of subjects from basket 03:

- Students can select two subjects out of above four subject areas.

Basket 04 - Languages:

The language basket has three subject areas.

These are;

- National Languages
- Classical Languages
- Foreign Languages

National Languages are:

- Sinhala
- Tamil
- English

Classical Languages are:

- Arabic
- Pali
- Sanskrit

Foreign Languages are:

- Chinese
- French
- German
- Hindi
- Japanese
- Malay
- Russian

Guidance for Selection of subjects from basket 04:

- Students are allowed to select a maximum of two subjects from this basket. For example, when selecting the three subjects, students can select Chinese & French from basket 04 and the other subject from another basket.

However, there are exemptions to this rule. These exemptions are also discussed under guidance for selecting subjects from basket 01.

Exemptions are;

a. A student can select three national languages.
   e.g. Sinhala, Tamil & English

b. A student can select at least one subject from national languages & two subjects from classical languages.
   No candidate is allowed to offer three classical languages or three foreign languages.

- The above guidance is useful to select subject combinations for different degree programmes of a course of study in Arts in almost all universities & higher educational institutes.

- However, some universities and higher educational institutes offer some degree programmes under Arts stream which may expect different advanced level subject combinations for selection. The reason for offering such different combinations is to enhance the quality and relevance of such degree programmes for the purpose of employment and to be in line with the expectations of the society.

  There are 10 such courses of study offered by different universities and higher educational institutes. These are;

1. Course of study in Performing Arts & Mass Media offered by Sripalee Campus of the University of Colombo

  Duration : 04 years

- Available University : Rajarata University of Sri Lanka

2.3.12 Nursing

Minimum eligibility requirements for admission :

Three passes in Chemistry, Physics and Biology at the Advanced Level Examination.

The following Universities offer a 120 credit curriculum leading to a B.Sc. in Nursing;

- University of Peradeniya

- University of Sri Jayewardenepura
- University of Ruhuna
- University of Jaffna
- Eastern University,Sri Lanka
- University of Colombo

Guidance and Information

- Candidates should be a minimum of 4'10" in height and should not have any kind of deformity. Candidates who fail to satisfy these physical conditions will not be considered for the course of study in Nursing.
- These two requirements are given as mandatory requirements in the nursing minute of the Nursing Council.
- If you get selected for the course of study in Nursing, based on false / inaccurate information provided in the application, your admission for the course of study in Nursing will be cancelled.

2.3.13 Pharmacy

Minimum eligibility requirements for admission :

Three passes in Chemistry, Physics and Biology at the Advanced Level Examination.

The following Universities offer a 120 credit curriculum leading to a B.Sc. in Pharmacy.

- University of Peradeniya
- University of Sri Jayewardenepura
- University of Jaffna
- University of Ruhuna

2.3.14 Medical Laboratory Sciences

Minimum eligibility requirements for admission :

Three passes in Chemistry, Physics and Biology at the Advanced Level Examination.

The following Universities offer a 120 credit curriculum leading to a B.Sc. in Medical Laboratory Sciences;

- University of Peradeniya
- University of Sri Jayewardenepura
- University of Ruhuna
- University of Jaffna

2.3.15 Radiography

Minimum eligibility requirements for admission :

Three passes in Chemistry, Physics and Biology at the Advanced Level Examination.

University of Peradeniya offers a 120 credit curriculum leading to a B.Sc. in Radiography.

2.3.16 Physiotherapy

Minimum eligibility requirements for admission :

Passes in Physics, Chemistry and the third subject from the following subjects at the Advanced Level Examination;

- Biology
- Mathematics
- Higher Mathematics
- Combined Mathematics

The following Universities offer a 120 credit curriculum leading to a B.Sc. in Physiotherapy;

- University of Colombo
- University of Peradeniya

2.3.17 Molecular Biology & Biochemistry

Minimum eligibility requirements for admission :

Three passes in Physics, Chemistry and Biology at the Advanced Level Examination.

- Degree Programmes : B.Sc. (General) in Molecular Biology & Biochemistry
  Duration : 03 years and 04 years
  : B.Sc. (Special) in Molecular Biology & Biochemistry
  Duration : 04 years
- Available University : University of Colombo

2.3.18 Fisheries & Marine Sciences

Minimum eligibility requirements for admission :

Three passes in Chemistry, Physics and Biology at the Advanced Level Examination.

- Degree Programme : B.Sc. in Fisheries and Marine Sciences Honours Degree
- Available University : University of Ruhuna
- Duration : 04 years
- Fields of Specialization : Fisheries Sciences
  Aquaculture
- Medium : English

2.3.19 Environmental Conservation & Management

Minimum eligibility requirements for admission :

Passes in Biology, Chemistry and the third subject from the following subjects at the Advanced Level Examination;

- Physics
- Combined Mathematics
- Mathematics
- Agricultural Science

- Degree Programmes : B.Sc. (General) in Environmental Conservation and Management
  Duration: 03 years

  B.Sc. (Honours) in Environmental Conservation and Management
  Duration: 04 years

- Available University : University of Kelaniya

2.3.20 Animal Science & Fisheries

Minimum eligibility requirements for admission :

Three passes for one of the following combinations of subjects at the Advanced Level Examination;

(i) Chemistry, Biology and Physics
(ii) Chemistry, Biology and Agricultural Science

- Degree Programme : B.Sc. in Animal Science & Fisheries
- Available University : University of Peradeniya
- Duration : 04 years

2.3.21 Food Production & Technology Management

Minimum eligibility requirements for admission :

Three passes for one of the following combinations of subjects at the Advanced Level Examination;

(i) Chemistry; Physics; and Biology
(ii) Chemistry; Physics or Mathematics; Biology or Agricultural Science
(iii) Chemistry; Biology; Agricultural Science or Mathematics

- Degree Programme : B.Sc. (Special) in Food Production & Technology Management
- Available University : Wayamba University of Sri Lanka
- Duration : 04 years
- Fields of Specialization : Livestock and Avian Sciences
  Aquaculture and Fisheries

2.3.22 Agricultural Resource Management and Technology

Minimum eligibility requirements for admission :

Three passes for one of the following combinations of subjects at the Advanced Level Examination;

(i) Chemistry; Physics; and Biology
(ii) Chemistry; Physics or Mathematics; Biology or Agricultural Science
(iii) Chemistry; Biology; Agricultural Science or Mathematics

- Degree Programme : B.Sc. in Agricultural Resource Management & Technology
- Available University : University of Ruhuna
- Duration : 04 years

2.3.23 Agribusiness Management

Minimum eligibility requirements for admission :

Passes in Biology, Chemistry and the third subject from the following subjects at the Advanced Level Examination;

- Physics
- Agricultural Science
- Food Technology /Bio - Resource Technology/Agro Technology

- Degree Programme : B.Sc. in Agribusiness Management
- Available University : University of Ruhuna
- Duration : 04 years

2.3.24 Green Technology

Minimum eligibility requirements for admission :

Passes in Biology, Chemistry and the third subject from the following subjects at the Advanced Level Examination;

- Physics

- Agricultural Science
- Food Technology/Bio - Resource Technology/Agro Technology

- Degree Programme : B.Sc. in Green Technology
- Available University : University of Ruhuna
- Duration : 04 years

2.3.25 Animal Science

Minimum eligibility requirements for admission :

Passes in Biology, Chemistry and the third subject from the following subjects at the Advanced Level Examination;

- Agricultural Science
- Higher Mathematics
- Mathematics
- Combined Mathematics
- Physics

- Degree Programme : Bachelor of Animal Science (BASc)
- Available University : Uva Wellassa University of Sri Lanka
- Duration : 04 years
- Medium : English

In the final year all students should carry out an industrial training and a research relevant to their area of interest.

2.3.26 Export Agriculture

Minimum eligibility requirements for admission :

Passes in Biology, Chemistry and the third subject from the following subjects at the Advanced Level Examination;

- Agricultural Science
- Higher Mathematics
- Mathematics
- Combined Mathematics
- Physics

- Degree Programme : B.Sc. in Export Agriculture
- Available University : Uva Wellassa University of Sri Lanka
- Duration : 04 years
- Medium : English

Students will be selected for one of the following specialization areas at the beginning of the third academic year.

1. Crop Products Technology
2. Entrepreneurial Agriculture

In the final year all students should carry out an industrial training and a research relevant to their area of interest.

2.3.27 Aquatic Resources Technology

Minimum eligibility requirements for admission :

Passes in Biology, Chemistry and the third subject from the following subjects at the Advanced Level Examination;

- Agricultural Science
- Higher Mathematics
- Mathematics
- Combined Mathematics
- Physics

▪ Degree Programme	:	B.Sc. in Aquatic Resources and Technology
▪ Available University	:	Uva Wellassa University of Sri Lanka.
▪ Duration	:	04 years
▪ Medium	:	English

In the final year all students should carry out an industrial training and a research relevant to their area of interest.

Candidates who have offered subjects in the Biological Science Stream at the Advanced Level Examination could also seek admission to the following courses of study offered by different universities, provided that they have fulfilled the entry requirements for those courses of study.

- Law
- Architecture
- Design
- Fashion Design & Product Development
- Management Studies (TV)
- Information Technology
- Management & Information Technology
- Town & Country Planning
- Peace & Conflict Resolution
- Information & Communication Technology
- Science & Technology
- Computer Science & Technology
- Entrepreneurship & Management
- Tea Technology & Value Addition
- Industrial Information Technology
- Mineral Resources & Technology
- Management and Information Technology (SEUSL)
- Physical Education
- Speech and Hearing Sciences
- Sports Science & Management
- Hospitality, Tourism & Events Management
- Palm & Latex Technology and Value Addition
- Information Technology & Management
- Tourism & Hospitality Management
- Information Systems
- Landscape Architecture
- Translation Studies
- Film & Television Studies
- Project Management
- Marine and Fresh Water Sciences
- Food Business Management

2.4 PHYSICAL SCIENCE STREAM

2.4.1 Engineering

Minimum eligibility requirements for admission :

Three passes in Chemistry, Combined Mathematics and Physics at the Advanced Level Examination

Fields of specialization available in each university are :

University of Peradeniya:

- Civil Engineering
- Chemical & Process Engineering
- Computer Engineering
- Electrical & Electronic Engineering
- Mechanical Engineering
- Production Engineering

University of Moratuwa:

- Biomedical Engineering
- Electrical Engineering
- Chemical & Process Engineering
- Electronic and Telecommunication Engineering
- Civil Engineering
- Mechanical Engineering
- Computer Science & Engineering
- Materials Science & Engineering

University of Ruhuna:

- Civil & Environmental Engineering
- Electrical & Information Engineering
- Mechanical & Manufacturing Engineering

University of Jaffna

- Civil Engineering
- Electrical and Electronic Engineering
- Mechanical Engineering
- Computer Engineering

South Eastern University of Sri Lanka

- Civil Engineering
- Electrical Engineering #
- Electronic Engineering #
- Mechanical Engineering

For the time being Electrical Engineering and Electronic Engineering will be combined and offered as 'Electrical & Electronic Engineering'.

University of Sri Jayewardenepura

- Civil Engineering
- Computer Engineering
- Electrical and Electronic Engineering
- Mechanical Engineering

Selection for a particular field of specialization specified above would be done by the university to which the candidate has been admitted.

2.4.2 Engineering (EM) – Earth Resources Engineering

Minimum eligibility requirements for admission :

Three passes in Chemistry, Combined Mathematics and Physics at the Advanced Level Examination

- Available University : University of Moratuwa
- Duration : 04 years

2.4.3 Engineering (TM) - Textile & Clothing Technology

Minimum eligibility requirements for admission :

Three passes in Chemistry, Combined Mathematics and Physics at the Advanced Level Examination

- Available University : University of Moratuwa
- Duration : 04 years

2.4.4 Physical Science

Minimum eligibility requirements for admission :

Passes in following three subjects at the Advanced Level Examination and the three subjects must include;

1. Combined Mathematics or Higher Mathematics
   and
2. Chemistry or Physics

And the third subject from the list given below

- Agricultural Science
- Combined Mathematics
- Biology
- Higher Mathematics
- Chemistry
- Physics

- Degree Programme : B.Sc. in Physical Science

- Available Universities : University of Colombo
  University of Peradeniya

University of Sri Jayewardenepura
University of Kelaniya
University of Jaffna
University of Ruhuna
Eastern University, Sri Lanka
South Eastern University of Sri Lanka

2.4.5 Computer Science

Minimum eligibility requirements for admission :

At least a pass in Combined Mathematics or Physics or Higher Mathematics;
and
At least passes in two other subjects listed below at the Advanced Level Examination;

- Combined Mathematics
- Higher Mathematics
- Mathematics
- Physics
- Chemistry
- Information & Communication Technology

- Degree Programme : B.Sc. in Computer Science

- Available Universities : University of Colombo School of Computing (UCSC)
  University of Jaffna
  University of Ruhuna
  Trincomalee Campus of the Eastern University, Sri Lanka

- Duration : 03 years

- Medium : English

Based on the performance and preference of students, a selected number of students will be able to follow a four year degree program conducted by the UCSC.

- B.Sc. (Hons) in Computer Science
  Duration : 04 years

- B.Sc. (Hons) in Software Engineering
  Duration : 04 years

In addition, University of Kelaniya also offers the following degree programme.

- B.Sc. (Hons) in Computer Science
  Duration : 04 years

2.4.6 Applied Sciences (Physical Science)

Minimum eligibility requirements for admission :

Passes in following three subjects at the Advanced Level Examination and the three subjects must include;

1. Combined Mathematics or Higher Mathematics
   and
2. Chemistry or Physics

And the third subject from the list given below;

- Agricultural Science
- Combined Mathematics
- Biology
- Higher Mathematics
- Chemistry
- Physics
- Information & Communication Technology

Details of the degree programs under Applied Science (Physical Science) in different universities are given below :

Rajarata University of Sri Lanka:

- B.Sc. (General) Degree in Applied Sciences
  Duration: 03 years

- B.Sc. Degree in Applied Sciences
  Duration: 04 years

- B.Sc. (Joint Major) Degree in Applied Sciences
  Duration: 04 years

Sabaragamuwa University of Sri Lanka:

- B.Sc. (Applied Sciences) Special Degree in Chemical Technology
- B.Sc. (Applied Sciences) Special Degree in Computer Science & Technology
- B.Sc. (Applied Sciences) Special Degree in Applied Physics
- B.Sc. (Applied Sciences) in Physical Sciences

University of Jaffna (Vavuniya Campus):

- B.Sc. (Applied Mathematics & Computing)
  Duration: 03 years
- B.Sc. (Computer Science) Special
  Duration: 04years

Eastern University, Sri Lanka (Trincomalee Campus):

- B.Sc. in Applied Physics and Electronics (General)
- B.Sc. in Applied Physics (Special)
- B.Sc. in Electronics (Special)

Wayamba University of Sri Lanka:

- B.Sc. (General) Degree (English Medium, 03 years)
- B.Sc. (Joint Major) Degree in Major 1 and Major 2 † (English Medium, 04 years)
- B.Sc. (Special) Degree in Applied Electronics (English Medium, 04 years)
- B.Sc. (Special) Degree in Industrial Management (English Medium, 04 years)
- B.Sc. (Special) Degree in Mathematics with Statistics (English Medium, 04 years)

† Major 1 and Major 2 are two subjects from among the Computing & Information Systems, Electronics, Industrial Management, Mathematics & Mathematical Modelling and Statistics.

2.4.7 Transport & Logistics Management

Minimum eligibility requirements for admission :

Passes in Chemistry, Combined Mathematics and Physics at the Advanced Level Examination.

- Degree Programme : B.Sc. in Transport & Logistics Management
- Available University : University of Moratuwa
- Duration : 04 years

2.4.8 Industrial Statistics & Mathematical Finance

Minimum eligibility requirements for admission :

Passes in Combined Mathematics and passes in any two subjects given below, at the Advanced Level Examination;

- Higher Mathematics
- Physics
- Chemistry

- Degree Programmes : General - B.Sc. in Industrial Statistics & Mathematical Finance
  Duration : 03 years & 04 years

  Special - B.Sc. in Industrial Statistics
  Duration : 04 years

  Special - B.Sc. in Mathematical Finance
  Duration : 04 years

- Available University : University of Colombo

2.4.9. Statistics & Operations Research

Minimum eligibility requirements for admission :

Passes in Combined Mathematics and two of the following subjects at the Advanced Level Examination;

- Biology
- Chemistry

- Physics
- Agricultural Science
- Mathematics
- Higher Mathematics
- Information & Communication Technology

▪ Degree Programme	:	B.Sc. in Statistics and Operations Research
▪ Available University	:	University of Peradeniya
▪ Duration	:	04 years

2.4.10 Computing & Information Systems

Minimum eligibility requirements for admission :

At least a pass in Combined Mathematics or Physics or Higher Mathematics and passes for two of the following subjects at the Advanced Level Examination;

- Combined Mathematics
- Physics
- Higher Mathematics
- Chemistry
- Information & Communication Technology

▪ Degree Programme	:	B.Sc. in Computing & Information Systems
▪ Available University	:	Sabaragamuwa University of Sri Lanka
▪ Duration	:	04 years

2.4.11 Physical Science - Information and Communication Technology (Physical Science - ICT)

Minimum eligibility requirements for admission :

Passes in Combined Mathematics, Physics and Information and Communication Technology at the Advanced Level Examination.

▪ Degree Programmes	:	B.Sc in Physics and Electronics University - University of Kelaniya B.Sc. in Physics and ICT University - University of Sri Jayawardenapura
▪ Duration	:	03 years

The respective Faculties of the university to which the student has been admitted will do the selection for a particular degree programme within a university.

Candidates who have offered subjects in the Physical Science Stream at the Advanced Level Examination could also seek admission to the following courses of study offered by different universities, provided that they have fulfilled the entry requirements for those courses of study.

- Quantity Surveying
- Architecture
- Design
- Fashion Design & Product Development
- Law
- Management Studies (TV)
- Surveying Science
- Information Technology
- Management & Information Technology
- Town & Country Planning
- Peace & Conflict Resolution
- Information and Communication Technology (ICT)
- Facilities Management
- Computation & Management
- Science & Technology
- Computer Science & Technology
- Entrepreneurship & Management
- Physiotherapy
- Tea Technology & Value Addition
- Industrial Information Technology

- Management and Information Technology (SEUSL)
- Speech and Hearing Sciences
- Hospitality, Tourism and Events Management
- Palm & Latex Technology and Value Addition
- Information Technology & Management
- Tourism & Hospitality Management
- Information Systems
- Landscape Architecture
- Translation Studies
- Software Engineering
- Film & Television Studies
- Project Management
- Marine and Fresh Water Sciences
- Food Business Management
- Business Science

2.5 ENGINEERING TECHNOLOGY STREAM

2.5.1 Engineering Technology (ET)

Minimum eligibility requirements for admission :

Passes for Engineering Technology (ET), Science for Technology (SFT) and for third subject from among;

- Economics
- Geography
- Home Economics
- English
- Communication and Media Studies
- Information & Communication Technology
- Art
- Business Studies
- Agricultural Science
- Accountancy
- Mathematics

Bachelor of Engineering Technology (BET) degree programme is available in following Universities;

University of Sri Jayewardenepura
Bachelor of Engineering Technology

University of Kelaniya
Bachelor of Engineering Technology

University of Jaffna
Bachelor of Engineering Technology

University of Ruhuna
Bachelor of Engineering Technology

Rajarata University of Sri Lanka
Bachelor of Engineering Technology

Wayamba University of Sri Lanka
Bachelor of Engineering Technology
Bachelor of Engineering Technology in Nano Sciences Technology

Uva Wellassa University of Sri Lanka
Bachelor of Engineering Technology in Agriculture

University of Colombo
Bachelor of Engineering Technology in Instrumentation and Automation

Candidates who have offered subjects in the Engineering Technology Stream at the G.C.E. (Advanced Level) Examination could also seek admission to the following courses of study offered by different universities, provided that they have fulfilled the entry requirements for those courses of study.

- Management Studies (TV)
- Information Technology
- Peace & Conflict Resolution
- Information and Communication Technology (ICT)
- Sports Sciences and Management
- Physical Education
- Fashion Design and Product Development
- Design
- Computation & Management
- Entrepreneurship and Management
- Industrial Information Technology
- Management and Information Technology (SEUSL)
- Hospitality Tourism and Events Management
- Information Technology & Management
- Translation Studies
- Film & Television Studies
- Project Management
- Teaching English as a Second Language (TESL)

2.6. BIOSYSTEMS TECHNOLOGY STREAM

2.6.1 Biosystems Technology (BST)

Minimum eligibility requirements for admission :

Passes for Biosystems Technology (BST), Science for Technology (SFT) and for third subject from among;

- Economics
- Geography
- Home Economics
- English
- Communication and Media Studies
- Information & Communication Technology
- Art
- Business Studies
- Agricultural Science
- Accountancy
- Mathematics

Bachelor of Biosystems Technology (BBST) degree programme is available in following Universities;

University of Sri Jayewardenepura
Bachelor of Biosystems Technology

University of Jaffna
Bachelor of Biosystems Technology in Commercial Green Farming
Bachelor of Biosystems Technology in Food Production

Eastern University, Sri Lanka
Bachelor of Biosystems Technology in Agricultural Technology and Entrepreneurship

South Eastern University of Sri Lanka
Bachelor of Biosystems Technology in Agricultural Technology

Rajarata University of Sri Lanka
Bachelor of Biosystems Technology

Wayamba University of Sri Lanka
Bachelor of Biosystems Technology

Uva Wellassa University of Sri Lanka
Bachelor of Biosystems Technology

University of Colombo
Bachelor of Biosystems Technology in Environmental Technology
Bachelor of Biosystems Technology in Agriculture

Candidates who have studied in the Biosystems Technology Stream at the Advanced Level Examination could also seek admission to the following courses of study offered by different universities, provided that they have fulfilled the entry requirements for those courses of study.

- Management Studies (TV)
- Information Technology
- Peace & Conflict Resolution
- Information and Communication Technology (ICT)
- Sports Sciences and Management
- Physical Education

- Translation Studies
- Film & Television Studies
- Project Management
- Teaching English as a Second Language (TESL)

2.7 Information Communication Technology

Minimum eligibility requirements for admission :

Passes for Information & Communication Technology (ICT), Science for Technology (SFT) and Engineering Technology (ET) or Biosystems Technology (BST).

Bachelor of Information Communication Technology (BICT) degree programme is available in following Universities;

University of Sri Jayewardenepura
Bachelor of Information and Communication Technology

University of Kelaniya
Bachelor of Information and Communication Technology in Computer Network Technology

Vavuniya Campus, University of Jaffna
Bachelor of Information and Communication Technology

University of Ruhuna
Bachelor of Information and Communication Technology

South Eastern University of Sri Lanka
Bachelor of Information and Communication Technology

Rajarata University of Sri Lanka
Bachelor of Information and Communication Technology

Candidates who are eligible for the course of study in Information Communication Technology could also seek admission to the following courses of study offered by different universities, provided that they have fulfilled the entry requirements for those courses of study.

- Management Studies (TV)
- Peace & Conflict Resolution
- Information and Communication Technology (ICT)
- Sports Sciences and Management
- Physical Education
- Fashion Design and Product Development
- Design
- Entrepreneurship and Management
- Industrial Information Technology
- Management and Information Technology (SEUSL)
- Hospitality Tourism and Events Management
- Translation Studies
- Film & Television Studies
- Project Management

The Technology Streams are offered from academic year 2015/2016 onwards for the students who have sat for the Advanced Level Examination from the Technology Streams. Three specific degree programmes are offered under this stream. They are Bachelor of Engineering Technology (BET), Bachelor of Biosystems Technology (BBST) and Bachelor of Information Communication Technology (BICT). All these degrees are designed to satisfy the market and industrial needs of the country. The BET degrees are designed based on the Accreditation Manual prepared by the Institution of Engineers, Sri Lanka following the attributes of the Sydney Accord. The BICT degrees are formulated according to the guidelines given by the Computer Society of Sri Lanka. The BBST degrees are formulated to obtain accreditation from relevant professional bodies. All these courses contain a minimum of 120 credits.

2.8 COURSES OF STUDY FOR WHICH STUDENTS FROM DIFFERENT STREAMS ARE ELIGIBLE

2.8.1 Information Technology (IT)

Minimum eligibility requirements for admission :

Three passes including a pass in one of the following subjects at the Advanced Level Examination;

- Higher Mathematics
- Combined Mathematics
- Mathematics
- Physics

▪ Degree Programme	:	B.Sc. (Hons) in Information Technology
▪ Available University	:	University of Moratuwa
▪ Duration	:	04 years

2.8.2 Management & Information Technology (MIT)

Minimum eligibility requirements for admission :

Having obtained a pass in one of the subjects; Higher Mathematics, Combined Mathematics, Mathematics or Physics

(i) Should have passed the three subjects at the Advanced Level Examination in Biological Science Stream or Physical Science stream;

or

(ii) Two subjects from the Biological Science stream or Physical Science stream and Information and Communication Technology (ICT) as the third subject;

In addition, candidate may pass the Aptitude Test as decided by the University concerned in order to become eligible for this course of study.

▪ Degree Programme	:	B.Sc. Honours in Management & Information Technology
▪ Available University	:	University of Kelaniya
▪ Duration	:	04 years

The students following the programme will be able to specialize in one of the following areas from their 3rd year of study:

- Business Systems Engineering (BSE)
- Information Technology (IT)
- Operations and Supply Chain Management (OSCM)
- Information Systems (IS)

2.8.3 Quantity Surveying

Minimum eligibility requirements for admission :

Should have obtained passes for at least one of the following subjects at the Advanced Level Examination;

- Combined Mathematics
- Higher Mathematics

And other subject/subjects from the following list;

- Accounting
- Economics
- Business Statistics
- Business Studies
- Physics
- Chemistry
- Information & Communication Technology

▪	Degree Programme	:	B.Sc. in Quantity Surveying
▪	Available University	:	University of Moratuwa
▪	Duration	:	04 years

2.8.4 Surveying Science

Minimum eligibility requirements for admission :

Passes in Physics, Combined Mathematics and in any other subject available at the Advanced Level Examination.

▪	Degree Programme	:	B.Sc. in (Surveying Science)
▪	Available University	:	Sabaragamuwa University of Sri Lanka
▪	Duration	:	04 years

2.8.5 Town & Country Planning

Minimum eligibility requirements for admission :

Candidate should have passed;

(i) At least two of the following subjects;

- Accounting
- Agricultural Science
- Biology
- Business Studies
- Business Statistics
- Chemistry
- Combined Mathematics
- Economics
- Political Science
- Geography
- Higher Mathematics
- Logic & Scientific Method
- Mathematics
- Physics
- Information & Communication Technology

(ii) And the other subject from the following list;

- Arabic
- Art
- Buddhism
- Buddhist Civilization
- Christianity
- Chinese
- English
- French
- German
- Greek & Roman Civilization
- Home Economics
- Hinduism
- Hindu Civilization
- History
- Islam
- Islamic Civilization
- Japanese
- Christian Civilization
- Malay
- Pali
- Russian
- Sanskrit
- Sinhala
- Tamil
- Hindi

- Degree Programme : B.Sc. Degree in Town & Country Planning
- Available University : University of Moratuwa
- Duration : 04 years

In order to be eligible for the course of study in Town and Country Planning, candidates should have passed at least three subjects from category (i) above from academic year 2017/ 2018 onwards.

2.8.6 Architecture

Minimum eligibility requirements for admission :

A candidate should have obtained a pass in ;

(i) At least one of the following subjects;

- Art
- Higher Mathematics
- Combined Mathematics
- Geography
- Chemistry
- Biology
- Physics

(ii) And the other subject/subjects from the following list;

- Accounting
- Hindu Civilization
- Business Statistics
- Islamic Civilization
- Greek & Roman Civilization
- Political Science
- English
- Sinhala
- Communication & Media Studies
- Christian Civilization
- Hindi
- Buddhist Civilization
- Home Economics
- Chinese
- Logic & Scientific Method
- Mathematics
- Sanskrit
- German
- Information & Communication Technology
- Arabic
- History
- Business Studies
- Japanese
- Economics
- Pali
- French
- Tamil
- Agricultural Science

In addition, candidate may pass the Aptitude Test as decided by the University concerned in order to become eligible for this course of study.

- Degree Programme : Bachelor of Architecture
- Available University : University of Moratuwa
- Duration : 05 years

2.8.7 Fashion Design & Product Development

Minimum eligibility requirements for admission :

Passes in any three subjects at the Advanced Level Examination;

In addition, candidate may pass the Aptitude Test as decided by the University concerned in order to become eligible for this course of study.

- Degree Programme : Honours Degree in Bachelor of Design (B Des Hons)
- Available University : University of Moratuwa
- Duration : 04 years

2.8.8 Landscape Architecture

Minimum eligibility requirements for admission :

A candidate should have obtained passes in ;

(i) At least one of the following subjects at the Advanced Level Examination;

- Art
- Biology
- Chemistry
- Combined Mathematics
- Geography
- Higher Mathematics
- Physics
- Agricultural Science

(ii) And the other subject/subjects from the following list;

- Accounting
- Arabic
- Buddhist Civilization
- Business Statistics
- Business Studies
- Chinese
- Greek & Roman Civilization
- Economics
- Mathematics
- English
- French
- German
- Tamil
- Christian Civilization
- Hindi
- Hindu Civilization
- History
- Home Economics
- Islamic Civilization
- Japanese
- Logic & Scientific Method
- Political Science
- Pali
- Sanskrit
- Sinhala
- Communication & Media Studies
- Information & Communication Technology

In addition, candidate may pass the Aptitude Test as decided by the University concerned in order to become eligible for this course of study.

- Degree Programme : Bachelor of Landscape Architecture

- University : University of Moratuwa.
- Duration : 04 years

2.8.9 Design

Minimum eligibility requirements for admission :

Passes in any three subjects at the Advanced Level Examination.

In addition, candidate may pass the Aptitude Test as decided by the University concerned in order to become eligible for this course of study.

- Degree Programme : Bachelor of Design Honous
- Available University : University of Moratuwa
- Duration : 04 years

This course of study offers following three fields of specialization, and the selection of students to these fields of specialization will be made at the end of first semester of the level two of study.

i. Fashion and Lifestyle Design:
Develop core skills including Fashion Design & Technology, Costume design, Textile design, Jewelers design, Fashion footwear & accessory.

ii. Media and Communication Design:
Develop core skills including Graphic design, Advertising design, Moving image design, Design for HCI (Human Computer Interaction)

iii. Product Design:
Develop core skills including Furniture design, Ceramic design, Industrial design, Consumer-based electronic & electrical utensil design.

2.8.10 LAW

Minimum eligibility requirements for admission :

A candidate should have obtained passes for;

(a) Three subjects from the following list at the Advanced Level Examination;

- Accounting
- Agricultural Science
- Biology
- Business Statistics
- Business Studies
- Chemistry
- Physics
- Communication & Media Studies
- Political Science
- Geography
- Higher Mathematics
- History
- Logic & Scientific Method
- Economics
- Mathematics/Combined Mathematics
- Information & Communication Technology

or

(b) One or two subjects from the above list and the other subject/subjects from the following list;

- Buddhism/Buddhist Civilization
- Christianity / Christian Civilization
- Greek & Roman Civilization
- Japanese
- Pali
- Sanskrit
- Sinhala
- Tamil
- Hinduism/Hindu Civilization
- Islam/Islamic Civilization
- Chinese
- English
- French
- German
- Arabic

- Degree Programme : Bachelor of Laws
- Available Universities : University of Colombo
  University of Peradeniya
  University of Jaffna
- Duration : 04 years

2.8.11 Facilities Management

Minimum eligibility requirements for admission :

Passes in Combined Mathematics or Accounting and passes in any other two from the following subjects at the Advanced Level Examination;

- Business Statistics
- Higher Mathematics
- Information & Communication Technology
- Physics
- Chemistry
- Business Studies
- Economics

- Degree Programme : Honours Degree of Bachelor of Science in Facilities Management [B.Sc.(FM) Hons]
- Available University : University of Moratuwa
- Duration : 04 years

2.8.12 Computation & Management

Minimum eligibility requirements for admission :

Passes in Economics or Combined Mathematics and passes in any other two subjects from the following subjects at the Advanced Level Examination;

- Degree Programme : B.Sc. in Computation & Management
- Available University : University of Peradeniya
- Duration : 04 years

2.8.13 Management and Information Technology (SEUSL)

Minimum eligibility requirements for admission :

Passes in any of the three subjects at the Advanced Level Examination.

This degree programme has combined course units of Management and Information Technology.

- Degree Programme : B.Sc. in Management and Information Technology (B.Sc. in MIT)
- Available University : South Eastern University of Sri Lanka
- Duration : 03 years

2.8.14 Science & Technology

Minimum eligibility requirements for admission :
