UNIVERSITY GRANTS COMMISSION

SRI LANKA

THIRTY FOURTH ANNUAL REPORT

2012

UNIVERSITY GRANTS COMMISSION

Introduction

The University Grants Commission (UGC) which functions as the apex body of the University System in Sri Lanka was established on 22nd December 1978 under the Universities Act No. 16 of 1978. The functions of the UGC are; planning and coordination of university education, allocation of funds to Higher Educational Institutions (HEIs), maintenance of academic standards, regulation of the administration of HEIs and regulation of admission of students to HEIs.

Vision of the UGC

To be an excellent regulatory body which guide, develop and sustain a network of ‘centres of excellence’ in higher education meeting the national needs and aspirations in keeping with global trends.

Mission of the UGC

To establish, guide, develop and sustain through resource allocation and good governance and Management, a widely acclaimed and accessible higher education system that is accountable to the public and dedicated to become the highest levels of learning, research and innovation relevant to the needs of the country by fostering and / or facilitating in partnership with other stakeholders of higher education, the diversity, maintenance of standards and quality and the relevance of academic study programmes to national and global needs, and providing guidance to higher education system to become a network of ‘centres of excellence’ in teaching, research, innovation and services of global standing.

Executive Summary

The University Grants Commission (UGC) came into existence in 1978 and became the apex body of the University System in Sri Lanka under the Universities Act No.16 of 1978. UGC has the responsibility for planning and coordination of university education, allocation of funds to Universities /Higher Educational Institutions (HEIs), maintenance of academic standards, regulation of the administration of HEIs, regulation of admission of students to HEIs and assist in progress and development of all institutions coming under its purview.

This Annual Report reviews the activities carried out by the UGC during the year 2012. Key highlights and achievements during the year 2012 encapsulates the areas of Admission of Students to Universities, Academic Excellence, Student Affairs, Staff Development, Industrial Disputes, Infrastructure Development, Information Technology (IT) Development, Quality Assurance, Financial Administration and Management.

Admission of Students to Universities / HEIs

Since there were two groups of candidates who sat for G.C.E.(A/L) Examination held in 2011 namely under old syllabus and new syllabus, the UGC in consultation with the Department of Examinations appointed an Expert Committee which recommended and advised to merge two groups of students in order to calculate Z -scores and prepare the merit order to rank them according to the order of merit.

However, once the results were out, this decision was challenged before the Supreme Court, and UGC was directed to comply with Section 15 (vii) of the Universities Act by considering Old and New Syllabi as two distinct populations and re – issue the Z-scores to all candidates. However, since the method to be used to prepare the list according to the order of merit to select students to universities was not specifically mentioned in the Judgment, a Committee consisting of experts was appointed by His Excellency the President to propose a method to rank the students. The Committee recommended to amalgamate the two sets of Z-scores calculated considering Old and New Syllabi as two distinct populations and arrange them in descending order to have one set of Z-scores.

Nevertheless, the 2nd merit list was also challenged by filing eight petitions. The Supreme Court also was of the view that merit list for selection of students for universities should be made, taking the two groups of candidates as two distinct populations and granted permission for the parties to arrive at a suitable solution in consultation with the Hon. Attorney General.

In order to resolve the matter, the UGC prepared and proposed four alternatives, of which third method was adopted by the Supreme Court, under which the ratio of the students to be selected was made based on maximum ratio of first timers and repeaters admitted to universities during the last five years for each course of study from each district. By adopting this method the UGC expected to select 5,609 students in addition to the proposed intake of 21,500 for the year.

Also, the Supreme Court ordered the UGC to continue practical / aptitude tests in respect of courses of study for which courses passing practical / aptitude test was a requirement earlier. However, until 31.12.2012, results of those tests had not been received by the UGC and therefore admission of students for the Academic Year 2011/2012 was not finalized as at end of the year.

A total of 141,411 candidates were eligible to apply for university admission for the Academic Year 2011/2012 based on results of the 2011 G.C.E. (A/L) Examination.

Graduate output

In 2012, total graduate output was 8,847, of which the majority i.e 37.5% was from the Arts stream. Total postgraduate output in 2012 was 7,887.

Academic Development and Maintenance of Academic Standards

During the period under review, Bachelor of Special Needs Education Undergraduate Degree programme, was introduced into the system compared to 05 programmes introduced last year. Also 06 new postgraduate degree programmes were approved in order to enhance opportunities for higher/further education, by following a proper screening and review mechanism compared to 23 programmes approved during the previous year.

Standing Committee on Teaching of English has taken initiatives to improve English Language proficiency among university students. In addition to that, UGC with the assistance of Ministry of Higher Education has taken step to introduce special degree programmes in Translation tri-language and ICT in the Faculties of Arts.

Some workshops were arranged by Standing Committees of the UGC with the view of providing training to career guidance counselors, developing soft skills of university students, improving the quality of various undergraduate programmes during the year under review.

Apart from above, several other workshops were conducted by UGC with the assistance of HETC project and other government and non government organizations such as Petroleum Resource Development Secretariat and John Keels Company etc on matters of national importance.

Selected degree programmes offered by 04 Higher Educational Institutions were recommended by the UGC to the Hon. Minister of Higher Education during the year for granting degree awarding status.

Student Affairs

With the expectation of urging students to cooperate and contribute towards making it possible for the state universities to play their mandatory role and contribute to preserve and sustain the core values and principles of the institution, a University Student Charter was prepared and introduced by the Commission in 2012.

While total number of Mahapola recipients stood at 33,089, there were also 23,446 bursary recipients and 35 Endowed Scholarship recipients during the year. As a percentage there is a 30% increase in the number of bursary holders compared to previous year while corresponding increase in the number of Mahapola recipients is only 2.5%.

Staff Development

In 2012, a total of 751 new cadre posts were approved by the Treasury, with which the total approved cadre of the University system increased to 21,043. Out of 751 new cadre posts approved, 294 posts were for academic cadres.

During the year under review, the UGC allocated and released approximately Rs. 65 million in order to facilitate operational activities of Staff Development Centres (SDCs) in Universities and to design new staff development programmes. Also, in keeping with the UGC policy, with a broad goal of attaining excellence in academic governance and delivery, financial assistance amounting to Rs. 7.046 Mn were granted by way of air passage for academic staff in Universities/HEIs to proceed abroad to obtain postgraduate qualifications. In addition, Rs. 5.62 Mn worth of grants were given to academics under local research grants scheme to obtain Postgraduate qualifications.

Industrial Disputes over the salary anomalies

During the year under review, there were industrial actions by both Federation of University Teachers Associations (FUTA) and Trade Unions of Non Academic Staff.

The industrial action of Federation of University Teachers' Associations (FUTA) was continued for almost four months, claiming that the Government failed to keep its promises and neglected the demands put forward by them.

Trade Union actions of Non Academics too were continued for almost a month and their main objectives behind the strike were on allowances / salary anomalies.

Infrastructure Development

After various restrictions imposed by the Treasury, the universities and HEIs were able to receive only about Rs. 5,504 Mn by the end of the year compared to Rs. 4,290 Mn in 2011, which was mainly allocated for new construction & continuation projects, rehabilitation projects, acquisitions, infrastructure development projects in newly established universities and capacity building of students in 2012. During the year, the Commission approved 22 new construction projects, after careful scrutiny and evaluation. There were 11 projects physically commenced in 2012 and 44 construction projects in progress at different levels in the design and construction process within the university system amounting to Rs. 13,672.4 Mn, while 13 projects (compared to 12 projects last year) which bear a total Estimated Cost of Rs. 2,778.3 Mn were completed and handed over to the university system.

Information Technology (IT) Development

In the year 2012, there have been an investment of Rs 8 million (approx) for Information and Communication Technology developments in libraries of the university system. Also, Rs 50 Mn (approx) in comparison to Rs. 15 Mn in the previous year was allocated for the improvement and strengthening of IT facilities in the university system.

Apart from above, with the refurbishment of the Board Room, existing IT/ video conferencing facilities of the UGC Secretariat was upgraded to meet the international standards in order to enhance the efficiency of communication between UGC and universities.

Quality Assurance Accreditation

During the year under review, 10 Institutional Reviews, 07 Subject / Programme Reviews and 01 Library Review plus desk evaluations of 99 Degree Programmes were conducted (compared to 6, 13, 1 and 47 respectively during the previous year) under the External Quality Assessment Programme of the QAA Council. During 2012, 274 Workshops were also conducted at national and university/faculty level to improve the quality of Higher Educational Institutions.

While a manual for Internal Quality Assurance was prepared with the view of strengthening Internal Quality Assurance activities in universities, 3 workshops have been conducted under accreditation programme to initiate the accreditation process and the preparation of the accreditation manual to assist in accrediting all higher educational institutions (public & private) and programmes in the country.

As an important landmark of quality assurance sector in higher education, the web based monitoring and evaluation system for external quality assessment too was developed during 2012.

Financial Administration and Management

As estimated by the University Grants Commission a total of Rs.28,363 Mn was requested for the year 2012 and the Treasury had initially approved Rs.20,283 Mn for both Recurrent and Capital expenditure.

During the year a supplementary allocation of Rs 215 Mn was approved to finance the increased security service cost. Compared to previous year, in 2012 allocation for recurrent grant has increased by 12%, where as capital expenditure has decreased by 19% due to various restrictions imposed by the Treasury relating to the infrastructure development of the university system.

The Audit Action & Monitoring Committee of the UGC met on 29 occasions during 2012 to examine the matters pertaining to universities and HEIs to assist in improving financial management through good governance and management practices introduced by the Treasury.

During the year under review, 25 Commission Circulars and 16 Establishment Circulars were issued as the supreme advisory and regulatory body of higher education, in order to ensure smooth functioning of the UGC and Higher Educational Institutions in the forthcoming years.

4. ADMISSION OF STUDENTS TO UNIVERSITIES

There were two groups of candidates who sat the G.C.E. (A/L) Examination held in 2011 namely under old syllabus and new syllabus. Hence the UGC in consultation with the Department of Examinations decided to appoint a Committee of Experts to advice the UGC as to how the results of the Examination i.e. old syllabus and new syllabus could be amalgamated for the purpose of selection of students to Universities.

Based on the recommendation of the said Expert Committee, the Commissioner General of Examinations was advised to calculate the Z-scores and prepare the merit order to rank them according to the order of merit, by merging the two groups of students.

Once the results were released, the decision of the UGC was challenged before the Supreme Court SC(FR) Application No.29/2012 by the Ceylon Teachers' Union and 16 candidates who sat for the G.C.E. (A/L) Examination in 2011. The judgement of the above case was pronounced on 25.06.2012 directing the UGC to comply with Section 15(vii) of the Universities Act No. 16 of 1978 as amended and to take necessary and relevant steps to calculate the Z-scores of the candidates who sat for the Advanced Level Examination, 2011 according to accepted statistical norms and principles on the basis that the Old and New Syllabi are two distinct populations. The UGC was also directed to take necessary steps according to law to re-issue the Z-scores to all candidates who sat for the Advanced Level Examination, 2011 after correcting the aforementioned errors and shortcomings without an unnecessary delay.

The method to be used when preparing the list according to the order of merit to select students to Universities for Academic Year 2011/2012 was not specifically mentioned in the Judgment, His Excellency the President decided to appoint a Committee consisting of experts to propose a suitable method to rank the students of the two groups i.e. old and new syllabi for the purpose of selecting them to Universities.

The said Committee recommended to amalgamate the two sets of Z-scores calculated, as directed by the Supreme Court on the basis that candidates who sat the Examination under old syllabus and new syllabus as two distinct populations and amalgamate and arrange such two sets of Z-scores in descending order to have one set of Z-scores of the G.C.E. (A/L) Examination in 2011 for the purpose of selecting students to Universities. The Commissioner General of Examinations was advised to calculate and issue the Z-scores and the District and Island ranks accordingly.

The method of preparation of the 2nd merit list also was challenged by filing eight (08) cases, namely; SC(FR) Application No.560/2012, 459/2012, 462/2012, 445/2012,

441/2012, 418/2012, 466/2012 and 480/2012. The contention of the Lawyers represented the petitioners in these cases was that the results of the two examinations held for the old and the new syllabi cannot be considered as a single evaluation to determine the competency of candidates since the relative difficulty levels of these two examinations are different.

Since the Supreme Court was also of the view that the preparation of the merit list for selection of students for Universities should be made taking the two groups of candidates as two distinct populations, the Supreme Court granted permission for the parties to these cases to arrive at a suitable solution in consultation with the Hon. Attorney General.

In order to resolve the matter, the UGC prepared four alternative methods. Out of the four methods proposed by the UGC, all parties as well as the Supreme Court agreed to adopt the third method under which the ratio of the students to be selected was made based on the maximum ratio (peak) of first timers and repeaters admitted to universities during the last five years for each Course of study from each district. By adopting this method, the UGC was expected to select 5609 students in addition to the proposed intake of 21,500 for the year.

The Supreme Court also decided that the previous rankings issued on 22.07.2012 be nullified and two cut-off-points for each course of study for each district under new and old syllabi be issued with regard to selection of students.

It was also decided to assign students selected to universities under 10% merit in terms of Section 11 of the Admissions Handbook valid for the academic year 2011/2012, and to assign the remaining 30% of the merit quota based on the ratio of the balance numbers between the first timers and repeaters under Formula III (3rd method) referred to above for selection after assigning the aforesaid initial 10%. In addition to this 60% of places selected under the District Quota to be filled based on the ratio of balance numbers between the first timers and repeaters after assigning the top 40% (10% + 30%) selected under merit quota.

Further, the Supreme Court ordered the University Grants Commission to continue Practical tests/ Aptitude tests for the courses of study for which passing the Practical tests / Aptitude tests was a requirement earlier.

Accordingly, the University Grants commission directed all Universities to conduct Practical tests / Aptitude tests in respect of such courses of study, as required. Since the results of the said Practical tests / Aptitude tests had not been received by the University Grants Commission until 31.12.2012 the selection of students for the Academic Year 2011/2012 was not finalized as at the end of the year.

A total of 141,411 candidates were eligible to apply for university admission for the Academic Year 2011/2012.

5. ACADEMIC DEVELOPMENT AND MAINTENANCE OF ACADEMIC STANDARDS

5.1 Standing Committees

Standing Committees have been established by the UGC in accordance with the provisions made under Section 4(2) of the Universities Act No. 16 of 1978 as amended. The responsibility of each Standing Committee is to report and make recommendations to the UGC on matters pertaining to higher education in respective areas. Accordingly, fifteen (15) Standing Committees and one (1) other Committee were functioning in the University Grants Commission for various disciplines during the year 2012. Number of meetings held under each Standing Committee is given below;

Name of the Standing Committee	Number of meetings held in 2012
1. Agriculture, Veterinary Medicine & Animal Sciences	05
2. Libraries and Information Sciences	04
3. Teaching of English	06
4. Career Guidance and Student Welfare in Universities	06
5. Sciences	06
6. Postgraduate Studies and Research	04
7. Humanities, Social Sciences & Education	02
8. Management Studies	06
9. Engineering and Architecture	06
10. Medical & Dental Sciences	05
11. Information Technology Development	06
12. Quality Assurance & Accreditation	05
13. Indigenous Medicine	06
14. External Degrees	02
15. Staff Development in Universities	03
Other Committees	
Committee to study Applications for Recognition of Qualifications / Degree Awarding Institutions.	04

5.2 Commencement/Restructuring of Undergraduate Degree Programmes

The Commission having considered the proposals made by various Faculties/Universities approved the following undergraduate degree programme during the period under review;

- Bachelor of Special Needs Education Degree programme, Open University of Sri Lanka

5.3 Postgraduate Degree Programmes

UGC following a proper screening and review mechanism in approving Postgraduate Programmes has approved the following 06 postgraduate degree programmes during the year 2012.

1. M.Sc./Postgraduate Diploma programme in Crop Production Technology, University of Ruhuna
2. Master of Science/ Postgraduate Diploma in Polymer Technology, University of Moratuwa
3. Master of Science/ Postgraduate Diploma in Interior Design, University of Moratuwa
4. Postgraduate Degree Programme / MSc in Regenerative Medicine, University of Colombo
5. Master of Arts Degree in Sinhala, University of Colombo
6. Master of Business Accounting, Master of Business Finance, University of Kelaniya

Apart from above, UGC has given approval for the changes made in the Postgraduate Degree programmes in Management (MBA/MPM/M.Sc.) of University of Sri Jayewardenepura.

5.4 New Faculties established

As University Grants Commission has identified the dire need of establishing Engineering Faculties in the North and Eastern provinces of the country and in order to fulfill the National interests, approved the establishment of following new Faculties with the view of expanding academic activities in the respective areas of study.

- University of Jaffna

Establishment of Faculty of Engineering with the following four Departments at Killinochchi

1. Department of Civil Engineering
2. Department of Electrical and Electronics Engineering
3. Department of Computer Engineering
4. Department of Inter-disciplinary Studies

- South Eastern University of Sri Lanka

Establishment of Faculty of Engineering with following five Departments

1. Department of Civil Engineering
2. Department of Computer Science and Engineering
3. Department of Mechanical Engineering
4. Department of Electrical and Telecommunication Engineering
5. Department of Interdisciplinary studies

5.5 New Departments established

The University Grants Commission approved the establishment of following new Department after considering the recommendations of the respective Standing Committee and after considering the pre-requisites for such an

establishment with the view of expanding academic activities in the respective areas of study;

- University of Jaffna

Department of Commerce, Faculty of Management Studies and Commerce

5.6 (1) **Recognition of Foreign Universities**

During the year under review, the Department of Academic Affairs of the UGC handled over 150 requests per month made for recognition of foreign universities by Sri Lankan students from where they have obtained academic distinctions.

(2) **Review of Non-State Degree awarding Institutes**

Section 25A of the Universities Act No. 16 of 1978, provides the Minister to recognize any Institution as a Degree Awarding Institute for the purpose of developing higher education.

Following Degrees were recommended by the UGC to Hon. Minister of Higher Education to grant degree awarding status after conducting institutional reviews and programme reviews pertaining to each degree programme during the year 2012:

Name of the Institute	Name of the Degree
Sri Lanka Institute of Information Technology	Bachelor of Science of Engineering in Electrical and Electronic Engineering Bachelor of Science of Engineering in Mechanical Engineering Bachelor of Science of Engineering in Civil Engineering Bachelor of Science of Engineering in Materials Engineering
Institute of Chartered Accountants of Sri Lanka	Bachelor of Science (Applied Accounting)
National Institute of Business Management (NIBM),	Postgraduate Diploma in Business Management Postgraduate Diploma in Computer Network Postgraduate Diploma in Human Resource Management Postgraduate diploma in Industrial

	Management Postgraduate Diploma in Project Management Postgraduate Diploma in Software Engineering
Sri Lanka International Buddhist Academy	Bachelor of Arts special degree in Buddhist Leadership

Further, the University Grants Commission at its 854th meeting held on 26th July 2012 decided to recommend to the Hon. Minister of Higher Education to grant degree awarding status to National School of Business Management (NSBM), the degree awarding school of National Institute of Business Management (NIBM), to offer degree programmes, revoking the degree awarding status granted to NIBM.

5.7 Developing Language Skills, IT and Soft Skills

Since there is a huge market demand for graduates with high competency in Language Skills, IT and Soft Skills, it is vital to develop those skills during their undergraduate period.

Accordingly, from year 2011 a Leadership Training programme and a Pre Orientation Programme for new entrants to universities is conducted by the Ministry of Higher Education. In addition, there are another two programmes conducted by the Ministry of Higher Education namely, Talent Development of students (Kavitha programme) and Development of sports skills programme for undergraduates with the intention to develop students' talent competencies and sports skills.

a) Language Skills

During the year under review there have been several discussions on strengthening the English language skills of university students by the Standing Committee on Teaching of English . Strengthening all English Language Teaching Units in the university system was one of the major activities taken place in this regard.

With a view to improving language proficiency of students steps have also been taken to introduce English as a subject in the degree programmes wherever possible. Bilingual teaching and teaching at least a few course units of the Sinhala / Tamil medium courses in English too were introduced by universities.

In addition, UGC, Ministry of Higher Education, and Department of Official Languages conducted several discussions with the Coordinators of academic programmes in translation and decided to design guidelines for a Model

Curriculum for a BA Degree in Translation with a strong component in professional training for university students.

b) IT Skills

An important step has been taken to prepare guidelines for developing a common curriculum for IT to be taught as a core subject in all degree courses, by the relevant Standing Committees.

A model curriculum for ICT specialization in BA special degree programmes has been developed, while providing relevant training to all Deans and academic community in the Faculties of Arts. Universities are expected to introduce this programme in 2014.

c) Soft Skills & Practical Training

The Career Guidance Standing Committee with collaboration of John Keels Social Responsibility Project conducted a workshop in the University of Peradeniya on improving soft skills among students. Further it was decided to conduct this programme in other universities as well.

Importance of providing training opportunities for university students in public / private sector has been identified as a priority area. Most of the universities have accordingly included a practical training component in the curriculum in the disciplines such as Management and IT in addition to Medicine and Engineering. Feasibility of introducing practical training into the disciplines such as Humanities and Social Sciences and Sciences is being explored by the respective Standing Committees set up by the Commission.

6. FINANCIAL ADMINISTRATION

In terms of section 15 (ii) of the Universities Act No. 16 of 1978 University Grants Commission prepared Budget estimates for the Universities and Higher Educational Institutions (HEIs) for 2012 in consultation with the Universities / HEIs.

Summary of the Estimated Budget and Approved Budget - 2012

Category /Object Title	Estimated Budget (Mn)	Approved Budget Rs. Mn	Approved %
Recurrent Grants	16,762	14,504	79.1%
Capital Grants	11,601	5,779	49.8%
Total	28,363	20,283	
Supplementary Allocation for Recurrent on Security Services	-	215	-
Total Grants	28,363	20,498	-
Internal Revenue	1,560	1,560	100%

Breakdown of total grant (with the additional allocation) and the amounts released/utilized during the year is given below in comparison to previous year.

Allocation/Utilization of Funds in the University System

Grant	Year 2011				Year 2012		
	Total Fund allocation Rs Mn	Total Fund released Rs Mn	Release/ Utilization ratio as a % of total allocation		Total Fund allocation Rs Mn	Total Fund released Rs Mn	Release/ Utilization ratio as a % of total allocation
Recurrent Grants	13,161.2	12,961.1	98%		14,719.0	14,611.0	99%
Capital Grants	7,100.0	4,278.7	60%		5,778.5	4,340.8	75%
Total	20,261.2	17,239.8	85%		20,497.5	18,951.8	92%

Compared to previous year, in 2012 allocation for recurrent grant has increased by 12%, however capital grants has decreased by 19% (from Rs 7,100Mn to Rs 5,778.5Mn).

As shown in the above table, utilization/release of capital grants in 2012 is 75% of the allocation of Rs 5,778.5Mn, which is a 15% increase compared to 2011. However, in terms of expenditure it is only a 1.5% increase from the previous year (2011 – Rs 4,278.7 Mn, 2012 – Rs 4,340.8 Mn).

6.1 Funding Policy - Allocation of Recurrent Grants (RG)

Allocation of recurrent grants for the Universities and Undergraduate HEIs was based on following funding formulae;

$\text{RECURRENT GRANTS} = \text{Modified Cost per Students (MCPS)} \times \text{Student Enrolment (SE)}$

Modified Cost per Student (MCPS) was computed considering following policy factors.

- Increased Academic allowance in 2011
- Academic Research allowance introduced in 2011
- Annual Increments of Personal emoluments
- Increased salary and Cost of Living Allowance (COLA) implemented by the MSD Cir. No43 (BP 2011)
- Ratification of UPF & ETF contributions on COLA (Ref, Establishment Cir.No.14/2011)
- Inflation adjustment for the other recurrent (OR)

6.2 Funding Policy - Allocation of Capital Grants (CG)

(a) Priority-based funding

Five criteria were considered for the allocation of CG according to the priority based funding policy.

- i. Ongoing Construction Projects
- ii. Projects approved under the Ten Year Medium Term Program
- iii. Faculty Load/Weight – Universities were weighted based on the relative cost per students of a subject discipline in order to compute Rehabilitation and Acquisition of Fixed Assets grants proposed to be allocated to each university.

Proposed Relative Cost Factors – Medicine – 5, Science – 3, Management- 1 Law – 1, Art-1, Education – 1, Engineering – 3, Veterinary Science – 4, Agriculture – 3, Paramedical – 2

- iv. Maximum and minimum capital grants ceilings were introduced for the three tiers as proposed below. SEUSL was considered for funding under the North- East tier since it was financed by the special Kuwait grants.

Tier		Universities	Maximum Ceiling -CG Per Student Rs.000	Minimum Ceiling -CG per University Rs.000
T-1	Established Universities	PDN,CBO,SJP, KLN, MRT, RUH	Rs.30 /-to Rs.40/-	

T-2	North and East Universities	UJA, EUSL	Rs.120/- to 130/-	Rs.200/- per University to ensure minimum allocation Rs.200/- for the small Universities
T-3	New Universities	RUSL, WUSL, SUSL, SEUSL, UVPA, UWU	Rs.100/- to Rs.113/-	

- v. Postgraduate Institutes and all other HEIs were funded based on needs and priority factors of HEIs as approved by the PEMC

(b) Performance based Funding

It was proposed to conduct two progress review meetings by 2nd Quarter (June 2012) and 4th Quarter (October 2012) to evaluate the performance of the utilization of capital grants. Accordingly additional funds were allocated / re-allocated among the Universities/HEIs based on their performance.

(c) Knowledge Enhancement and Institutional Development program

It was proposed to enhance the skills, talent and knowledge of university community and improve the institutional capacity in order to achieve overall objectives of the university education.

Accordingly following projects were proposed to implement under the *Knowledge Enhancement and Institutional Development* program as estimated by the UGC for the year 2012.

Project -1: Development of Leadership Skills and Positive thinking of the Undergraduates

Leadership project was coordinated by the MOHE with assistance of the Ministry of Defence in order to develop leadership skills and positive thinking of undergraduates. Accordingly theoretical and practical residential training programs were conducted for students selected for university education. Funds for this project were released by the UGC to the MOHE within the approved budget.

Project -2 : Development of Sports Skills

Development of Sports Skills project was coordinated by the Ministry of Higher Education with the assistance of Universities/HEIs in order to identify and improve or develop sports skills of undergraduate students.

Project -3: Talents Development

This project was coordinated by the MOHE with the assistance of universities in order to identify, develop and appreciation of special skills of undergraduate students. Accordingly workshops were conducted to produce publications/TV commercials and dramas and preliminary level of competitions were held throughout the year with a view to holding an inter-university talent festival (KAVITHA).

Project -4: Entrepreneurship Development: Career Guidance

This project was coordinated by the MOHE and UGC with the assistance of universities in order to identify, improve or develop entrepreneurship skills of undergraduate students. Accordingly it was proposed to introduce entrepreneurship programs in collaboration with professional organizations in Sri Lanka for 1500 undergraduates in Arts and Management. Further it was proposed to conduct career guidance programs for final year students.

Project -5: 1000 Foreign Students Attraction Program

This project was coordinated by the MOHE/UGC with the assistance of Universities in order to attract 1000 foreign students for selected six universities, it was proposed to conduct awareness programs in SAARC and other countries.

Project -6: Academic Publications, International Symposia and Research

Through Standing Committees of the UGC, funds were allocated to Universities and HEIs for Academic publications, International Symposia and Research projects based on project reports evaluated by the UGC.

Project -7 : 30 PhDs and 200 Masters/Mphils

This project was coordinated by the National Centre for Advanced Studies and Social Sciences and International Corporation Division of the UGC. Accordingly funds were allocated as follows;

Rs. 60 million for the NCAS

Rs. 20 million for the ICD of the UGC

Project -8 : Staff Development

This project was coordinated by the relevant Standing Committee of the UGC with the assistance of the Human Resources Department. Funds were allocated by the UGC to Universities/HEIs based on project reports evaluated and approved by the relevant Standing Committee.

Project – 9 : Information Technology Development (IT)

Information Technology Development grant was coordinated by the Information Technology Development Committee (ITDC) of the UGC and funds were allocated based on the proposals submitted by Universities / HEIs for development and improvement of IT based activities.

(d) **Advancement of Six Universities to International Level**

As recommended by the Project Evaluation and Monitoring Committee of the UGC, funds for the above program were allocated with annual expenditure ceilings based on the performance of the ongoing projects of the Universities.

(a) Trade Union action of Federation of University Teachers' Associations (FUTA)

Federation of University Teachers' Associations (FUTA) staged one day token strike claiming that the Government failed to keep its promises and neglected the demands put forward by them on 26th April 2012, a procession and a rally in Colombo.

Again they launched a continuous strike from 4th July 2012 until 10th October 2012.

(b) Trade Union action of Non Academic Staff

The non-academic trade Unions too commenced a continuous Trade Union action on 29.02.2012 on salary issues. The Trade Unions having discussed with the Salaries and Cadres Commission, Ministry of Higher Education and UGC, decided to suspend the Trade Union action from 01.03.2012, after signing an Agreement between Secretary, Ministry of Higher Education and Trade Unions on 29.02.2012. As a result Commission Circular No.985 dated 15.05.2012 on rectification of salary was issued based on the letter of Deputy Secretary to the Treasury dated 21.03.2012. However, Trade Unions launched a two day strike of work on 22 and 23 of May 2012 and commenced a continuous Trade Union action again from 06.06.2012 stating that the conditions of the Agreement between Secretary, Ministry of Higher Education and Trade Unions have not been fulfilled by the Commission Circular No. 985.

Subsequently, the UGC referred this matter to the Commissioner General of Labour. After having several discussions trade unions and the UGC entered into an Agreement to resolve industrial dispute under 12(1) of the Industrial Disputes Act No. 43 of 1950 as amended Chapter 131, and Trade Unions called off the Trade Union action from 27.06.2012.

8.7 Staff Development Activities

UGC in collaboration with HETC project was in the process of compiling a series of training manuals on diverse topics covering academic, executive and non-academic staff. Development of following training manuals and training programmes were completed by identified resource persons in coordination with the Standing Committee on Staff Development and the HRDU.

- i. Induction Programme for Academic Staff of Sri Lankan Universities
- ii. Training of Trainers – ICT in Higher Education for Academic Staff
- iii. Enhancing Research Competencies
- iv. Essential Soft Skills for Non –Academic Staff (Executive Grades, Secretarial staff Technical Staff and Clerical Grades)
- v. Functional English for University Staff - Part I Teachers' Guide
- vi. Functional English for University Staff – Part II Teachers' Guide
- vii. Curriculum Development for Undergraduate Study Programmes.

Based on these manuals training programmes are being conducted at the universities by Staff Development Centers (SDCs) jointly with HETC project and HRDU/UGC.

At present all SDCs have conducted induction training programmes for Academic Staff. As at the end of the year under consideration, the UGC was in the process of developing an extensive Induction Training Programme for non-academic executive grades in the university system, which would be commenced from the year 2013.

In addition HRDU/UGC and HETC Project were in the process of designing tailor made training programmes for university staff, in liaison with training institutes as PIM, SLIDA, NIBM, etc.

In the year 2011, SDCs had effectively utilized the funds granted from the UGC to strengthen staff development activities with regard to improving infrastructural facilities, purchasing equipment and office appliances and conducting staff development programmes.

Thus, UGC has allocated and released approximately Rs. 65 Million for the staff development activities for the year 2012 in order to continue with the activities/ programmes already initiated with the first round of funds and to design / initiate new staff development programmes.

8.8 Award of Scholarships, Fellowships, Research Grants and other Financial Assistance to University Academics

In keeping with the UGC policy to facilitate and encourage the academic staff specially the young academics to pursue their higher studies locally and abroad and also to foster and strengthen the research culture in the university system, the UGC made concerted effort during the last few years to allocate more funds. In order to achieve the said objective, following grants were made available during the year under review;

(1) Local Research Grants for Ph.D. Research Degrees

The University Grants Commission approved Rs.5,621,006.05 worth of grants for 28 academic staff members of the Higher Educational Institutions/ Institutes to enhance opportunities to obtain Postgraduate Qualifications during the year 2012 under Local Research Grants.

10. DEVELOPMENT OF INFORMATION TECHNOLOGY

IT Governance in Universities

IT governance is a part of the corporate governance and emerged as a concept to ensure that the organisation's information technology is supporting the organisation's strategies and objectives. Aligning with the Corporate Plan of the UGC, a survey was conducted to identify the status of ITG in universities and to create awareness on ITG in order to enhance the effectiveness and efficiency of IT utilization in universities through proper governance.

Improvements to the Video Conferencing Facilities

Video conferencing facility which is installed in 2008 in the UGC as a solution to enhance the efficiency of the UGC secretariat through better communication with universities was upgraded and Board Room of the UGC was refurbished to achieve "international standards".

Improvements to the UGC Local Area Network

LAN which was implemented in the UGC in 2001 was replaced with newer cabling in order to provide a healthy backbone for communication. The new network is capable of meeting the requirements in the UGC for more than 7 years.

IT Funds Disbursements to Libraries

For Information and Communication Technology Developments in Libraries, funds were disbursed as follows to Universities. The total amount disbursed was Rs 08 Mn.

11. QUALITY ASSURANCE IN HIGHER EDUCATION

The QAA Council which was established as a separate Division of the UGC in 2009, conducted activities under the guidance and recommendations of the Standing Committee on QAA.

- One of the main functions of the QAA Council is to review the standards and quality of the Higher Educational Institutes (HEIs) and its programmes of study and to publicize the outcome. For this purpose the QAA Council conducts External Quality Assessments (EQA), Institutional Reviews (IRs), Subject/Programme Reviews (SR/PRs) and Library Reviews (LRs).

During the year under review, 10 Institutional Reviews, 07 Subject / Programme Reviews and 01 Library Review were conducted by the Quality Assurance Council under the External Quality Assessment Programme.

- In addition, following desk evaluations of Undergraduate (UG), Postgraduate (PG), External Degree Programmes (EDP) and for new institutes in Universities were carried out;

University	UGDs	PGDs	EDPs	New Institutes	Other
Colombo	-	13	5	-	-

TOTAL	7	82	10	2	27

274 Workshops were also conducted at national, international and university/faculty level to improve the quality of Higher Educational Institutions during 2012 by the Quality Assurance Council. These workshops covered a variety of subject areas such as; QA Framework in HE, Credit and Qualifications Framework, Internal Quality Assurance in Universities, Subject Reviewers Training Programmes, Subject Review Process in Universities, Curriculum Revision and Reforms, Student Feedback and Peer Observation and Innovative and Interactive Teaching Methods.

- It is expected that internal Quality Assurance (QA) mechanisms would bring the staff members in the same institution together to share and learn from each other, publicize the good practices and to appreciate the achievements and contributions of one another. Further, the implementation of internal QA mechanisms would create a sense of responsibility and a new awareness of process approach throughout the institution.

Therefore, a Manual for Internal Quality Assurance was being prepared with the view of strengthening Internal QA Activities in Universities and it is presently published in the QACC website.

- One of the main responsibilities of the QAA Council is to accredit all higher educational (Public & Private) institutions and programmes in Sri Lanka. Accreditation in higher education is a collegial process based on self and peer assessment for public accountability and improvement of academic quality. For this purpose, following mentioned disciplines have been identified by the QACC;
 1. Agriculture, Vet. Science and Livestock
 2. Commerce and Management

3. Arts, Humanities , Social Sciences, Education, Law, Fine Arts
4. Engineering, Architecture, IT and Geomatics
5. Medicine, Dental Sciences and Allied Health Sciences
6. Science and Fisheries

Further, QACC has identified the criteria for the accreditation programme and during the year under review 03 workshops were held for the accreditation process and for preparation of the accreditation manual.

- A web based approach was developed, as a method to achieve the expected outcomes of External Quality Assurance. The system provides user friendly, accurate and up-to date information of EQAs and also it provides a feedback mechanism through online forms/questionnaires. The easy access of information would provide the authorities a basis for decision making to improve higher education sector in Sri Lanka.

The system is linked to the QAAC main web site (www.qaacouncil.lk) for easy access. Highly strengthen of back-end system to maintain dynamic nature. The implementation of the web based monitoring and evaluation system for external quality assessment would be an important landmark of quality assurance sector in higher education.

12 STUDENT RELATED MATTERS

University Student Charter

The University Grants Commission prepared the “University Student Charter” in order to serve as a guide for students enrolled in state universities as well as a document that states the conditions of the contract that exist between the university and its students. It also serves as a guide to the academic, administrative and support staff and the public, as it emphasizes the commitment expected from all stakeholders for the smooth functioning of state universities. Further the University Student Charter earnestly urges students to cooperate and contribute towards making it possible for the state universities to play their mandatory role and contribute to preserve and sustain the core values and principles of the institution.

13. FINANCIAL ASSISTANCE TO UNIVERSITY STUDENTS

13.1 Introduction

There are 03 main schemes under which university students are assisted financially. They are;

Mahapola Scholarship Scheme
University Bursary Scheme
Scholarship Scheme with donor endowments

Of these three schemes, students for Mahapola Scholarships and Scholarships with donor endowments are selected by the UGC annually while the selections for Bursaries are handled by the respective Universities/ HEIs.

(1) Mahapola Scholarships

Under the Mahapola Scholarship Scheme, the Mahapola Higher Education Scholarship Trust Fund awards two categories of scholarships i.e. Mahapola Higher Education Merit Scholarships and Mahapola Higher Education Ordinary Scholarships, in collaboration with the University Grants Commission.

(2) Payment of Bursaries, Mahapola Scholarships

During the year 2012, following amounts were disbursed for payment of Bursaries, Mahapola Scholarships – Treasury Component (TC) and Endowed Scholarships;

Type of Financial Assistance To Students	No. of Students	Total Paid Rs. (Mn)
Mahapola Scholarships	33,089	101.46
Bursaries	23,446	283.40
Endowed Scholarships	35	1.12

(3) Scholarships with Donor Endowments

In addition to the Scholarships mentioned above following scholarship schemes too were in operation during the year under consideration.

(a) Mitsubishi Corporation International Scholarships

A Memorandum of Understanding was signed between the UGC and Mitsubishi Corporation for the scholarship scheme funded by Mitsubishi Corporation.

Under this scholarship scheme thirty (30) scholarships were awarded to students who have been selected to follow courses of study in Management at the Faculty of Management and Finance, University of Colombo and Faculty of Management Studies and Commerce, University of Sri Jayewardenepura. The annual value of the scholarship is Rs.48, 000/= (12 Monthly installments of Rs.4, 000). The scholarship is for one year duration with possible extension for another year.

21 UNIVERSITIES PENSION FUND

The Universities Pension Scheme was formulated under the provisions in Section 97 of the Universities Act No. 16 of 1978, utilizing part of the contribution towards Universities Provident Fund on the basis of recommendations made by the Actuarial Consultant and approved by the UGC for the purpose. The Cabinet of Ministers at its meeting held on 24th March 1999 approved the proposal submitted by the then Honorable Minister of Education and Higher Education the late Mr Richard Pathirana to establish a Pension Scheme for University Employees in addition to the Universities Provident Fund.

Accordingly, the Universities Pension Fund was established with effect from 1st September 1999 in terms of the Commission Circular No. 747 of 10th June 1999 issued by the UGC.

Membership

- All permanent employees who were in service as at 1st September 1999 were given the opportunity to become members of the pension scheme while membership is compulsory for new employees who joined the university service after 1st September 1999.
- 40% of the gross Provident Fund balance lying to their credit was transferred to Pension Fund in the case of employees who were in service as at 01st September 1999 and opted to become members to meet the past service liability. Out of 15% of the earnings contributed by the employer to the Provident Fund 8% of earnings is credited to Pension Fund in case of both categories to cover the future service period liability while 7% of earning is credited to the Provident Fund.

Benefits

- The members of the Fund who have served 20 years or more and served till the age of retirement (i.e. for academic staff 65 years and for non academic staff 55 or 60 years or in between after extension) are paid a monthly pension for life.

- The pension amount is calculated at a percentage of last drawn monthly salary for each year of service. The rates applicable are 1.0%, 1.2% and 1.4% for the retirement ages of 55, 60 and 65 respectively. Non Academic employees who could retire at the age of 55 but opt to continue to work till 60 years or retire in between are paid on pro-rata basis.
- On death of a pensioner 50% of the pension is paid to the spouse and balance 50% is equally divided and paid to the children until they reach 18 years of age.
- The amount and interest lying to the credit of an employee who has not completed 20 years of service is refunded at the point of retirement.
- On death of a bachelor/spinster while in service or in the event of the death of an employee without completing 20 years of service, the amount and interest lying to his/her credit is paid to his/her next-of-kin.

Governance and Management

It was proposed to enhance and strengthen the Governance and Management of the Universities Pension Fund. Accordingly the Commission decided to appoint a Committee to draft an Ordinance for regulation, administration and management of the Universities Pension Scheme (UPS) and to appoint an Advisory/ Monitoring Board to review the activities of the UPS periodically. Annual Accounts of the Fund are prepared and submitted to Auditor General for auditing. Investments are made in accordance with Government rules and regulations.

Chairman
 University Grants Commission

Report of the Auditor General on the Financial Statements of the University Grants Commission for the year ended 31 December 2012 in terms of Sub - Section 12(5) of the Universities Act No. 16 of 1978

The audit of financial statements of the University Grants Commission for the year ended 31 December 2012 comprising the statement of financial position as at 31 December 2012 and the income statement, statement of changes in equity and cash flow statement for the year then ended and a summary of significant accounting policies and other explanatory information, was carried out under my direction in pursuance of provisions in Article 154(1) of the Constitution of the Democratic Socialist Republic of Sri Lanka read in conjunction with Sub sections 12(1), (4) and (7) of the Universities Act No. 16 of 1978 and Sub - section 107(5) of the Universities Act. My comments and observations which I consider should be published with the annual report of the Institute in terms of Section 108(2) of the Universities Act appear in this report. A detailed report in terms of Section 108(2) of the Universities Act was furnished to the Chairman of the Commission on 19 June 2013.

1.2 Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Sri Lanka Public Sector Accounting Standards and for such internal control as the management determines is necessary to enable the preparation of financial statements that are free from material misstatements, whether due to fraud or error.

1.3 Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with Sri Lanka Auditing Standards. Those Standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatements.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatements of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers Internal control relevant to the Commission's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Commission's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements. Sub-sections (3) and (4) of the Section 13 of the Finance Act, No 38 of 1971 give discretionary powers to the Auditor General to determine the scope and extent of the audit.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my qualified audit opinion.

1.3 Basis for Qualified Opinion

My opinion is qualified based on the matters described in paragraph 2.2 of this report.

2. Financial Statements

2.1 Qualified Opinion

In my opinion, except for the effects of the matters described in paragraph 2.2 of this report, the financial statements give a true and fair view of the financial position of the University Grants Commission as at 31 December 2012 and its financial performance and cash flows for the year then ended in accordance with Sri Lanka Public Sector Accounting Standards.

2.2 Comments on Financial Statements

2.2.1 Non-compliance with Laws, Rules, Regulations and Management Decisions

The Following non-compliances were observed.

	<u>Reference to Laws, Rules etc.</u>	<u>Non-compliance</u>
(a)	Cabinet Decision dated 23 March 2011	Without amending the Cabinet decision under reference the Circular No. 1000 dated 8 January 2013 had been issued by the University Grants Commission, including the Academic Allowance into definition of "total earnings", with the consent of the Treasury. Accordingly, the amount overpaid to University Provident Fund, Pension Fund and Employees Trust Fund as at 31 December 2012 contrary to Cabinet decision was Rs. 559.29 million.
(b)	Paragraph 10.1 of Chapter 8 of the Establishments Code and Public Administration Circular No. 256 dated 12 June 1984 and Public Administration Circular No. 7/97 dated 3 February 1997.	University Grants Commission Circular No. 707 dated 01 April 1997 had been issued by the University Grants Commission without compliance with the regulations under reference, saying that the Section which stipulates that to work on holidays 8 hours should be completed could be amended by 2 days by working 4 hours per day. Accordingly, payments had been made by the Universities and Higher Education Institutes under University Grants Commission and Rs. 45,573 had been paid to the Staff of the University Grants Commission during the year 2012.
(c)	Financial Regulation 71 and Section 9.10 of Public Enterprises Circular No. PED/12 dated 02 June 2003.	Without obtaining the prior approval of the Deputy Secretary to the Treasury regarding the recruitment of staff on contract, casual or any other basis, four employees had been recruited during the year 2012 and payments totaling to Rs. 518,960 had been made.

Financial Review

3.1 Financial Results

According to the financial Statements presented, the operation of the Commission for the year ended 31 December 2012 had resulted in a surplus of Rs.5,175,131 as against the deficit of Rs. 4,226,165 for the preceding year. The following reasons were mainly attributed for the increase of the financial results by Rs. 9,401,296 as compared with the preceding year.

The increase in Recurrent Grants, Capital Grants, Contributions to South Asian Universities and other income amounting to Rs. 444,971,123, Rs.13,770,244, Rs.41,718,088 and Rs.7,736,385 respectively, as well as decrease in the Students Financial Assistance by Rs. 99,037,988 and the increase in financial assistance to the Universities and Higher Educational Institutions by Rs. 524,780,662 had specially caused for the improvement in the financial results as compared with the year 2011,

3.2 Analytical Financial Review

The financial results had improved by Rs. 9,401,296 or 222 percent during the year under review as compared with the previous year. Major variances in income and expenditure are shown below.

4. Operational Review

4.1 Performance

Following observations are made.

- (a) Out of the number of students who were qualified for universities in the previous three academic years, the details regarding the number of students admitted, amount of funds released for each year and the general funds released per student are shown below.

	<u>2011/2012</u>	<u>2010/2011</u>	<u>2009/2010</u>
Number of students qualified for universities }	141,411	142,516	125,284

	<u>2012</u>	<u>2011</u>	<u>2010</u>
Recurrent expenditure spent (Rs. '000)	14,611,003	12,961,095	10,865,900
Total number of students	72,937	77,640	73,398
Recurrent expenditure per student (Rs.)	200,323	166,938	148,040

Out of the students qualified for the universities for the Academic Year 2011/2012, only 20 per cent of the students had been admitted to the Universities and the average recurrent expenditure per student had been Rs. 200,323. Likewise, out of the students applied for universities only 49 per cent had been selected.

(b) Establishment of Engineering Faculty at the University of Jaffna

A sum of Rs.730,552 had been paid to a Professor from November 2010 to July 2011 to obtain a report to establish an Engineering Faculty at the University of Jaffna and according to his report although an Engineering Faculty should be established at the University of Jaffna and fifty students should be admitted for the academic Year 2011/2012 and the number of students should be increased up to one hundred by the year 2013, students had not been admitted for the academic Year 2011/2012.

(c) Installation of Software System for Selection and Admission of Students to the Universities

A sum of Rs. 1,520,000 or 80 per cent of the contract sum had been paid to the University of Colombo School of Computing by the University Grants Commission on 3 April 2012 for the contract of installation of software system for the selection of students to universities. Although this payment had to be reimbursed from 'The 21st Century Higher Education Project' according to the Decision No. 843.5.3 of the Board of Directors dated 9 February 2012, action had not been taken for the reimbursement even up to the end of the year under review.

(d) Establishment of Centralized Internal Audit System

A Consultant had been appointed spending Rs. 300,000 for 6 months from 05 March 2007 on a payment of Rs. 50,000 per month to obtain investigation on establishment of a centralized internal audit system within the university system. Although the Consultant had submitted his report to the University Grants Commission including all matters on 11 April 2007, the report had not been implemented within 5 years.

- (e) Although a balance of Rs. 5,356,873 had been available in the Employees Development Fund as at the end of the year 2012, without utilizing this fund a sum of Rs. 933,122 had been utilized from the State Funds for an Employment Development Programme conducted during the year under review.

4.2 Management Inefficiencies

Following matters were observed.

- (a) Although a sum of Rs. 396,994,000 had been given for the Knowledge Enhancement and Institutional Development (KEID) for 20 higher educational institutions and the Ministry of Higher Education, 13 instances with less than 50 percent utilization had been observed at the end of the year 2012.

(b) Upgrading 6 Selected National Universities to International Standards

Even though provisions of Rs. 100 million and Rs. 75 million had been made for the years 2011 and 2012 respectively to upgrade 6 Universities to international standard, the international standards of Moratuwa and Ruhuna Universities had fallen to lower level in the year 2012 than the year 2011.

4.3. Transactions in Contentious Nature

Without the approval of the Treasury to credit the money recovered for the breach of bonds to the Government Revenue, according to the University Grants Commission Circular No.737 by maintaining a Fund regarding the lecturers who breached the bonds in each University, the income derived from this had been utilized by the Universities on various expenditure in the Universities. According to the test checks carried out regarding 19 Universities, this Fund had amounted to Rs. 548,714,372. The balance in the Bond Violation Fund of the University Grants Commission amounted to Rs. 843,258.

4.4 Under-utilization of Funds

Following matters were observed.

- (a) The balance in the unspent Capital Grant (purchase of fixed assets) as at the end of the year 2012 amounted to Rs. 4,066,949 and when compared the Capital Grant (purchase of fixed assets) received to University Grants Commission for the year 2012 and the carried forward balance amounting to Rs. 6,493,386 in the unspent Capital Grant Accounts the unutilized portion was 30 percent.
- (b) Although 3 Special Funds totaling to Rs. 9,872,568 had been maintained in the University Grants Commission, these Funds had been in an inactive level.
- (c) Out of the 98 Scholarship Funds totaling Rs. 11,561,215, only 24 Funds had been functioning and 74 Scholarship Funds had been defunct. Only 10 Scholarships had been awarded during the year 2012.

4.5 Personnel Administration

The approved cadre of the Commission as at 31 December 2012 had been 288 and the actual cadre was 200 and a shortage of 88 employees had been observed.

4.6 Resources of the Commission given to other Government Institutions

Contrary to the Public Enterprises Circular No.116 dated 24 January 1997 and Paragraph 9.4 of the Public Enterprises Circular No.PED/12 dated 02 June 2003, three employees of the University Grants Commission had been released for the duties of the Ministry and a sum of Rs.721,072 had been paid as salaries for those employees during the year 2012.

5. Accountability and Good Governance

5.1 Tabling of Annual Report

Although the Annual Reports should be tabled in parliament prior to the end of 6 months after the closure of the financial year in terms of Section 16 of the Universities Act No. 16 of 1978, the Annual Report of the University Grants Commission had not been tabled in Parliament

5.2 Procurement Plan

Even though fixed assets for Rs. 8,626,436 had been procured by the Commission for the year 2012, approved procurement plan had not been prepared during the year under review.

5.3 Budgetary Control

Budget had not been prepared in terms of Section 5.2.1 of Circular No. PED 12 dated 02 June 2003 and as 42 per cent to 93 per cent of variances had existed between the budgeted expenditure and the actual expenditure, the Budget had not been made use of as an effective instrument of financial control.

6. Systems and Controls

The deficiencies observed during the course of audit were brought to the notice of the Chairman from time to time. Special attention is needed in respect of the following areas of control.

- (a) Accounting
- (b) Utilization of Capital Allocations
- (c) Recruitment of Staff

Chairman
University Grants Commission

Report of the Auditor General on the Financial Statements of the Universities Pension Fund for the year ended 31 December 2012.

The audit of financial statements of the Universities Pension Fund for the year ended 31 December 2012 comprising the statement of financial position as at 31 December 2012 and the statement of financial performance, cash flow statement and statement of changes in equity for the year then ended and a summary of significant accounting policies and other explanatory information was carried out under my direction in pursuance of provisions in Article 154(3) of the Constitution of the Democratic Socialist Republic of Sri Lanka read in conjunction with Section 12 of the Universities Act, No. 16 of 1978. This report is issued in terms of Sub-section 12(5) of the Universities Act.

1.2 Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Sri Lanka Public Sector Accounting Standards and for such internal control as the management determines is necessary to enable the preparation of financial statements that are free from material misstatements whether due to fraud or error.

1.3 Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with Sri Lanka Auditing Standards. Those Standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatements.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatements of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Fund's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of financial statements. Sub-sections (3) and (4) of the Section 13 of the Finance Act, No. 38 of 1971 give discretionary powers to the Auditor General to determine the scope and extent of the audit.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my qualified audit opinion.

1.4 Basis for Qualified Audit Opinion

My opinion is qualified based on the matters described in paragraph 2.2 of this report.

2. Financial Statements

2.1 Qualified Opinion

In my opinion, except for the effects of the matters described in paragraph 2.2 of this report, the financial statements give a true and fair view of the financial position of the Universities Pension Fund as at 31 December 2012 and its financial performance and cash flows for the year then ended in accordance with Sri Lanka Public Sector Accounting Standards.

2.2 Comments on Financial Statements

2.2.1 Accounts Receivables

A sum of Rs.32,137,660 relating to the cost of living allowances receivable by the Pension Fund from the Employees Provident Fund had not been recovered by obtaining particulars from the Universities for the period from April to December 2012.

2.2.2 Non-compliance with Laws, Rules, Regulations and Management Decisions

Non-compliances with laws, rules and regulations are given below.

Reference to Laws, Rules, Regulations etc.	Non-compliance
(a) Cabinet Decision No. CP/99/0438/11/033 of 09 April 1999.	According to the Cabinet decision, 10 per cent out of 25 per cent being credited to the Universities Provident Fund on behalf of the officers should have been credited to the Pension Fund. However, according to the Circular No. 747 dated 10 June 1999 of the University Grants Commission, action had been taken to credit 8/15 of the 15 per cent contribution made by the employer to the Provident Fund, to the Pension Fund. Even though directives were given at the meeting of the Committee on Public Enterprises held on 07 March 2013 relating to the report of the Auditor General for the year 2011 to take action to settle this problem, action had not been taken accordingly.
(b) Section 97 of the Universities Act, No.16 of 1978.	Even though income and expenditure of the Pension Fund for the year 2012 amounting to Rs.207,724,261 and Rs.197,135,825 respectively had been brought to account, the Commission had not prepared Ordinances for regularizing , administrating and managing the Fund.

- (c) Letter No. A/Establishments /2004 dated 28 January 2005 of the Commissioner General of Labour.
- The University Grants Commission had issued the Circular No.1000 dated 08 January 2013 by incorporating the academic allowances within in the definition of total earnings based on the concurrence of the Treasury without taking action to revise the Cabinet decision dated 23 March 2011. Action had not been taken even up to 31 December 2012 to settle a sum of Rs.248.57 million received excessively to the Pension Fund due to inclusion of academic allowances prior to issuing the above circular or to take proper action.
- (d) Circular No. 747 dated 10 June 1999 of the University Grants Commission
- Even though the pension system should be evaluated once in 3 years and the contribution / payment of benefits of new members should be reviewed, the above evaluation had not been carried out after 31 December 2008.

3. Financial Review

3.1 Financial Results

According to the financial statements presented, the surplus of the Fund for the year ended 31 December 2012 amounted to Rs. 10,588,436 and the corresponding surplus for the preceding year amounted to Rs. 61,151,399 and as such a deterioration of Rs.50,562,963 was observed in the financial results for the year under review as compared with the preceding year. Even though the income on investment had increased by Rs.3,744,687 the matters such as increase of payment of interest for members and pensioners accounts by Rs.50,780,030 and Rs.1,569,872 respectively and increase of adjustments for pension fund by Rs.452,266 had mainly attributed for that deterioration.

3.2 Analytical Financial Review

Financial results for the year under review had decreased by Rs.50,562,963 or 83 per cent as compared with the preceding year. Key variations of income and expenditure are given below.

	2012	2011	Variance	Percentage of Variance
	-----	-----	-----	-----
	Rs.	Rs.	Rs.	%
Investment Income	227,837,778	224,093,091	3,744,687	2
Interest on Members Accounts	189,115,287	138,335,257	50,780,030	37
Interest on Pension Accounts	6,153,684	4,583,812	1,569,872	34
Adjustment for Pension Fund	1,755,904	1,303,638	452,266	35

4. Operating Review

4.1 Performance

The following observations are made.

- (a) The number of pensioners receiving pensions as at end of the year under review from the Fund established on 01 September 1999 stood at 121 and the pension paid to them during the year under review amounted to Rs. 17,495,086. The credit balance available in the Pension Fund as at end of the year under review amounted to Rs. 78,674,647. It was observed that these balances are adequate for the payment of pensions only for the 4 ½ years approximately without considering the liabilities could be arisen in the ensuing years.

- (b) Even though there was no balance in the private accounts of the pensioners in the year under review, sums totalling Rs.1,755,904 had been paid to 15 members as pension. Even though there was no individual balance as compared with the year 2008, number of employees to whom pension had been paid, had increased by 400 per cent and also the expenditure incurred thereon had increased by 1,105 per cent as compared with the year 2008.

4.2 Management Inefficiencies

Interest, audit fees, and bank charges had only been accounted as expenditure of the Pension Fund established for Universities through the Circular No. 747 dated 10 June 1999 of the University Grants Commission whereas other administrative and other expenditure had not been accounted under the Pension Fund.

5. Systems and Controls

Deficiencies in systems and controls observed during the course of audit were brought to the notice of the Chairman of the Fund from time to time. Special attention is needed in respect of the following areas of control.

- (a) Payment of pension
- (b) Evaluation of Pension System

Chairman,

University Grants Commission

Report of the Auditor General on the Financial Statements of the Universities

Provident Fund for the year ended 31 December 2012

The audit of financial statements of the Universities Provident Fund for the year ended 31 December 2012 comprising the statement of financial position as at 31 December 2012, statement of financial performance, cash flow statement for the year then ended and a summary of significant accounting policies and other explanatory information was carried out under my direction in pursuance of provisions in Article 154(3) of the Constitution of the Democratic Socialist Republic of Sri Lanka read in conjunction with Section 12 of the Universities Act No.16 of 1978. This report was issued in terms of sub section 12(5) of the Universities Act.

1.2 Management's Responsibility for the Financial Statements

The management is responsible for the preparation and fair presentation of these financial statements in accordance with Sri Lanka Public Sector Accounting Standards and such internal control as the management determines is necessary to enable the preparation of financial statements that are free from material misstatements, whether due to fraud or error.

1.3 Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with Sri Lanka Auditing standards. Those standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatements. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risk of material misstatements of the financial statements, whether due to fraud or error. In

making those risk assessments, the auditor considers internal control relevant to the fund's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the fund's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of financial statements. Sub-sections (3) and (4) of Section 13 of the Finance Act, No. 38 of 1971 give discretionary powers to the Auditor General to determine the scope and extent of the audit.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my qualified audit opinion.

1.4 Basis for Qualified Audit Opinion

My opinion is qualified based on the matters described in paragraph 2.2 of this report.

2. Financial Statements

2.1 Qualified Opinion

In my opinion, except for the effects of the matters described in paragraph 2.2 of this report, the financial statements give a true and fair view of the financial position of the Universities Provident Fund as at 31 December 2012 and its financial performance and cash flows for the year then ended in accordance with Sri Lanka Public Sector Accounting Standards.

2.2 Comments on Financial Statements.

2.2.1 Sri Lanka Public Sector Accounting Standards.

In terms of Public Sector Accounting Standard No.01, the statement of changes in Equity which should be furnished along with the financial statements had not been furnished.

2.2.2 Accounting Deficiencies

The following matters were observed

- a. The Universities Provident Fund balance as at 31 December 2012 amounted to Rs.20,832,082,627. The unidentified balance included in that balance amounting to **Rs.6,851,305 had not been identified and the adjustment had not been made in the relevant accounts.**
- b. A Sum of Rs.05 million had been taken in to revenue as reserves during the year from the balance of Non-performing Membership Reserve Account amounting to Rs.8,000,000 as at 01 January 2012 without proper approval.
- c. Out of the Rs.500 million received for the Universities Provident Fund Account to settle the cost of living allowance, a sum of Rs.270.4 million had been computed as cost of living allowance outstanding and brought to account as payables without crediting to the Membership Accounts of the Universities Provident Fund.

2.2.3 Accounts payable.

The following observations are made

- a. The balance of refunds payable of Provident Fund of Rs.20,732,055 had made from the total of unclaimed membership funds though the services were terminated. The cheques drawn for these balances had been cancelled and action had not been taken in respect of the out dated cheques valued at Rs.19,437,750 remained 01 year to 11 years in terms of Section 93 of the Universities Act. It was observed that interest is being credited to the members account instead of being credited to the Government revenue.
- b. The age analysis of the creditors balances aggregating Rs.41,600 as at the end of the year under review had been ranged from 03 years to 09 years.

2.2.4 Non-compliance with Laws, Rules, Regulations and Management Decisions.

The following non - compliances were observed.

<u>Reference to laws, Rules etc.</u>	<u>Non-compliance</u>
a. Decision of the Cabinet of Ministers dated 23 March 2011	The academic allowance had been included with the definition of total earnings by the University Grants Commission with the concurrence of the Treasury and issued the Circular No.1000 dated 08 January 2013 without taking action to revise the Decision of the Cabinet of Ministers dated 23 March 2011. Before issuing the circular, the academic allowance had been included, and as such contributions amounting to Rs.217.49 million had received in excess to the Provident Fund. Action had not been taken either to set off the contribution or to take proper action.
b. Section 91 of the Universities Act No.16 of 1978	Even though income and expenditure of the Provident Fund had been brought to account in the year 2012 amounting to Rs.1,610,934,308 and Rs.1,625,642,752 respectively the Commission had not made ordinances for the regularization, administration and management of the Fund.

- c. Finance Circular No 3/2001 of the University Grants Commission dated 02 February 2001

Even though provident fund contributions for the relevant month should be received by the University Grants Commission before 10th of the following month or as at that date, it was revealed that proper method had not been followed to identify that all the cheques relating to the month had been received on due dates, and the cheques had been banked without a delay.

3. Financial Review

3.1 Financial Results

According to the financial statement presented, the net income of the Fund available for distribution as at 31 December 2012 amounted to Rs.2,022,174,457 as compared with the net income available for distribution in the preceding year amounting to Rs.1,366,400,312. The increase of the financial result for the year under review as compared with the preceding year by a sum of Rs.655,774,145 had been mainly due to increase of income from investments by a sum of Rs.190,390,600 and re-brought the income from Interest Rate Equalization Account non-performing membership account by a sum of Rs.281,650,220 and Rs.5,000,000 respectively.

4. Operating Review

4.1 Performance

Expenditure on interest, audit fees, bank charges and stationery only had been brought to account under Provident Fund established for universities by the Universities Act No.16 of 1978 while expenditure on administration and others had not been brought to account under the Provident Fund

5. Accountability and Good Governance

5.1 Action Plan

This Fund had been established under the University Grants Commission. The planned activities relating to the Universities Provident Fund had been shown in the action plan of University Grants Commission.
