

STUDENT ENROLMENT

CHAPTER 3

This Chapter represents number of students registered to undergraduate & postgraduate degree programmes of Universities and HEIs particularly in 2016 while few Tables provide trend of data for retrospective years. The number of undergraduate/postgraduate enrolment refers to the count of undergraduate/postgraduate students registered for a particular programme as at the end of the reference year.

At the beginning of the Chapter, the summary of enrolment of undergraduate and postgraduate students are presented.

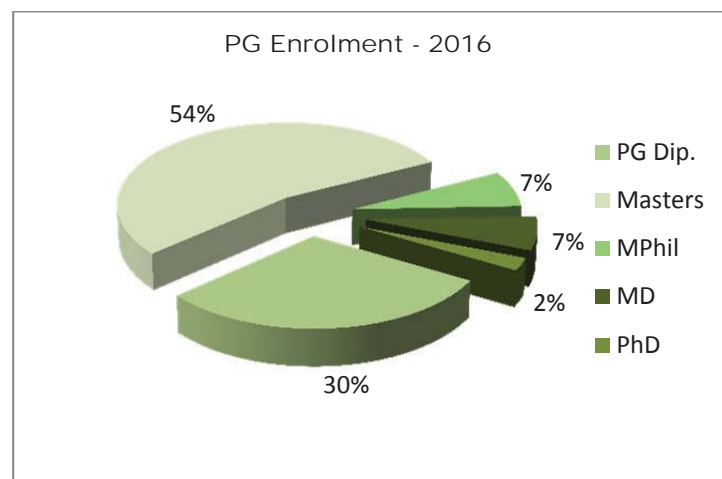

However, the year 2016 enrolment represents the student enrolment on October 2016, before registration of the 2015/2016 intake.

Total Undergraduate Enrolment in Universities & HEIs - 2016
