

We Congratulate all 24 Sri Lankan Scientists among top 2% Scientists in the world 2020 list prepared by Elsevier BV, Stanford University

Twenty four scientists of Sri Lanka figure among the top 2% scientists in the world 2020 list prepared by Stanford University and Elsevier BV in the last week

Ranking of Scientists have been created standardization of information on citations, h-index, co-authorship adjusted hm-index, citations to papers in different authorship positions and a composite indicator using publicly available database of over 100,000 top-scientists.

These 24 scientists are from Colombo(4), Peradeniya(6), Jaffna(1), Sri Jayewardenepura(3), Kelaniya(5), Rajarata(2), Wayamba(1) universities and IWMI(2). Their research specialization areas include Environmental Sciences, Energy, Food Science, Tropical Medicine, General Medicine, Toxicology and Pediatrics.

UGC congratulates all these Scientists for their achievement and performance, and wishes all of them greater outcomes of their work too.
